which will arrive on the next trip of the Breakwater. It will have a speed of about fifteen miles an hour.

Lights Went Out.—The electric lights in the business portion of the city went out last night for a time. It was while the moving picture shows were still in progress, but the detention was not long and the lights were on again in half an hour.

Will Return Home.—Col. Bright of New York, and Judge Sidney Fox of Montana, who have been at Empire on a visit and who are friends of Elijah Smith, were in Marshfield Sunday. They will leave on the Breakwater for their homes.

Operation Successful.—Mrs. E. W. Kammerer, who had an operation performed at Mercy Hospital Saturday, is reported getting along nicely and her complete recovery promises to be rapid. This will be good news to many friends.

Brother Here.—Col. R. H. Rosa of Bandon, who was one of the delegates to the State assembly at Portland, returned home with the others on the Breakwater. He was accompanied by his brother and the latter's wife, from Grand Rapids, Mich., who will visit Col. Rosa at his home in Bandon.

Was Fine Picnic.—The moonlight picnic given Friday evening by the young peoples' society of the Swedish Lutheran Church, was a great success. About one hundred attended. They were taken to Charleston Bay on the steamers Flyer and Bonita. The young people built big bonfires, had a splendid supper and enjoyed the evening throughout.

Grimes, have been in the city, will leave to-morrow morning, continuing their trip in an auto down the coast. The Winton car they are traveling in is said to be the largest that has ever come in over the Roseburg road. C. C. Grimes, the chauffeur, is an Oregon pioneer of 1853 and an old Klondyke miner, but it was his first trip to Coos Bay.
