DRIVER INJURED.

Wagon Goes Over Embankment and Jim Green Hurt.

Jim Green, a driver for the C. A. Smith Company and formerly driver for Ferguson, was quite badly hurt for Ferguson. He was driving one of the big wood wagons. At the corner of Hall and Fifth he attempted to pass a place where there was not enough room and the wagon went over an embankment and dashed down twelve feet below. Green was quite badly bruised up and it was thought that several of his ribs were broken. He was taken to his room and physicians called to attend him.

SKIN TROUBLES ON HOT DAYS.

Hot weather is hard on the skin. Perspiration irritates. "Sleeping" eczema is brought to the surface.

Rash, disfiguring pimples, ivy poison, bites, hives, prickly heat, these itch intolerably.

Now several good remedies are available, but nothing we think that compares with the gentle wintergreen and thymol solution, known as D. D. Prescription. We have watched results with astonishment, the itch stopped, the skin cooled and refreshed, the eruption washed away.

Will you try a 25-cent bottle of D. D. Prescription.
