GARRISON HAS BAD RECORD

Reports Received By Marshal Carter From Salem Are Not Favorable.

FOUND HAT.

A hat thought to belong to Perkins was found in the water near North Bend, it is reported this afternoon. The officers are still having the bay dragged in the hopes of finding something of missing Roy Perkins. Nothing yet has developed in the case excepting the finding of some facts regarding Garrison, the man who is being held on suspicion. Marshal Carter has received from Salem some facts about Garrison and his photograph. His record is not a good one, as will be seen by the facts printed in the Salem papers reproduced below. Garrison's parents conducted a hotel at Roseburg. Marshal Carter and others here were acquainted with them. Garrison's grandfather was a preacher. The prisoner was a native of Folk county. Record at Salem.

Garrison, who is under arrest and suspected of having done away with Roy Perkins, has not a very good record at Salem. The Statesman of that city says: "Frank Garrison, who is under arrest in Marshfield charged as a suspect and with having knowledge of how Roy Perkins came to his death, is well known in Salem, having been one of the men who assaulted Sheriff John Knight in an attempt to make a jail break in 1895. Garrison, with Frank Brehm and a man named Combes, laid in wait for Sheriff Knight in the corridor of the jail and attacked him with a piece of oak firewood. They were unsuccessful in their attempt to escape and two of the men were given 10 and 12-year sentences respectively for the assault upon Knight.

Joe Schilling tells some rather encouraging railroad news. He says that he talked with a man who had met Contractor Sweeney who is building the line to Tillamook and that Sweeney said that he had a contract for building forty miles of the Drain line to Coos Bay and that he would start in work on it as soon as he had finished the Tillamook line. Mr. Schilling came down yesterday from Gardiner, where he and Mrs. Schilling are running the Gardiner Hotel, on business. He reports everything flourishing at Gardiner.

WANT ROAD COMPLETED

County Commissioners Petitioned to Finish Highway For Use This Winter.

Petitions have been presented to the County Commissioners asking that the road from Marshfield to Flagstaff be completed this year. The road was started and is nearly finished, there being only one more cut to make. That is at Jones Point near Flagstaff. There has been expended about \$12,000 on the road and it is set forth that if \$5,000 more be spent this year in completing the road to Flagstaff and planking the grades the road will be available this winter to about one thousand persons who are affected. If left in its present incomplete condition the road is of no use to anyone this winter. The new road makes a short cut from Flagstaff to the city, while without it the only route for a vehicle would be over the old county road several miles out of the way.

POISON BOUGHT BY CRIPPEN

Damaging Testimony Introduced in Famous Case of Alleged Wife-Murder.

By Associated Press. LONDON, Sept. 9.—When the trial of Dr. Crippen for the alleged murder of Belle Elmore was resumed to-day witnesses identified portlous of the hair and clothing similar to those worn by Belle Elmore, and also testified she had a scar on the lower portion of her body similar to that found on the remains of the murdered woman. The chemist who claims to have sold hyoscin, a deadly poison to Crippen, testified and produced a book showing where Crippen signed the poison register book, "Munyon's, per H. H. Crippen."

By Associated Press. PHILADELPHIA, Sept. 9.—J. M. Munyon stated that all preparations used under his name were prepared in Philadelphia, that hyoscin does not enter into any of his homeopathic preparations, and that Crippen had not been employed by him since December, 1909.

HAVE YOU REGISTERED?

From the appearance of the registration books it is apparent that the fact that every man must register in order to participate in the primaries is not generally known. Only a very small number of voters have registered thus far. The registration closes for the primaries September 14th, and any man whose name does not appear in the registration books will not be allowed to vote in the primary election September 24th. The law is rigid and does not permit an elector to swear in his vote at the primaries, as is done at the general election. If you do not register you cannot vote at the primaries. This is a privilege that you should hardly pass by. Register. Do not delay, but register to-day.

NEGRO MUST BE DEFIN'D

The Supreme Court of United States May Be Asked to Decide.

By Associated Press. WASHINGTON, Sept. 9. — Just what constitutes a negro in the United States may be a question which the United States Supreme Court will be asked to settle in the near future. One-sixteenth negro blood in an individual classifies him a negro, in the District of Columbia, according to a decision of Justice Daniel T. Wright, of the District Supreme Court, in the case of an eight-year-old girl barred from the white public school. The case will be appealed to the District Court of Appeals, and in the event that court affirms Wright's decision, an effort will immediately be made to have the United States Supreme Court pass on the question.

WHAT WAGES WILL YOU GET

"Death the Wage of Sin, But Life a Free Gift," Says Mr. Lyon.

By Rev. G. LeRoy Hall. TABERNACLE PROGRAM. TO-NIGHT. 7.45, Lyon speaks on "Julias Iscariot." SATURDAY. 7.30 P. M., open air meeting. 8.00 P. M., Tabernacle service. SUNDAY. 11 A. M., Union morning service. 2 P. M., men's meeting. 7.30 P. M., mass meeting.

Three great topics were ably discussed last evening in one address at the Tabernacle. The sermon by the evangelist was a heart searching message. Mr. Lyon took as his topic, "The Wages of Sin," based upon the text in Romans, "For the wages of sin is death, but the gift of God is eternal life through our Lord Jesus Christ." The speaker dwelt on three great topics, "The Universality of Sin," "The Result of Sin" and "The Cure of Sin." The speaker gave three or four biblical definitions of sin: "Transgression of the law," this is John's definition. James says, "To him that knoweth to do good and doeth it not, to him it is sin." Paul says, "Whoever is not of faith is sin," and Jesus Christ said: "Whoever looketh upon sin has committed it already in his heart." "Sin," said Mr. Lyon, "is destructive to conscience. The man who was in the penitentiary for murder of several persons, stood up and said: 'I'm not such a bad man, there are lots of men worse than I am.' The reason why some people to-day do

By Associated Press. SALEM, Ore., Sept. 9.—Isaac Harroll, convicted of the murder of Walter Newell, and who also killed Herbert Newell, his brother, in the Klammath Falls country, early in June, met a terrible death on the gallows at the penitentiary here today. Makes Great Stir Among Members of Hamilton Club at Chicago.

COMMITTEE RECALLS SENATOR'S INVITATION.

And As Result Resignation of Lorimer's Friends From Club Is Threatened.

By Associated Press. FREEPORT, Ill., Sept. 8 (Delayed in Transmission).—Colonel Roosevelt refused flatly to-day to attend the banquet to be given to-night by the Hamilton Club in Chicago unless Senator Lorimer was excluded. He demanded that a telegram to that effect be sent to the Senator. A committee of sixteen from the Hamilton came here to make final arrangements for to-night's dinner at Chicago. Roosevelt asked if Speaker Cannon would be a guest and was told that he would. "How about Senator Lorimer?" he asked. "Senator Lorimer is a member of the club," he was told, "he has accepted an invitation to the dinner." "Then I must decline to go," said the Colonel. He added he would feel the same about the presence of Senator Lorimer as if the members of the Illinois Legislature who were indicted in the graft investigation should be present at the dinner. The committee has recalled the invitation to Lorimer. Extensive preparations for the entertainment of Mr. Roosevelt upon his arrival at Chicago have been made. From the time of his arrival until his departure the former President will be the central figure in a series of local affairs managed by the members of the Hamilton Club. The main event will be the banquet of 1,100 diners.

MUCH WROUGHT UP. (By Associated Press.) CHICAGO, Sept. 9.—The Hamilton Club, which has prided itself as being the banner Republican club of the nation, is greatly wrought up to-day following the Roosevelt-Lorimer incident. Lorimer has a host of friends in the membership and there are rumblings of revolt. They said they were anxious to rebuke President Patten for accepting Roosevelt's ultimatum regarding the banquet. If Lorimer resigns his membership his friends say they will do likewise. So far Lorimer refuses to talk on the subject.
