Euthymol Cold Cream

No mystery about this—the "wherefore" is in the cream itself. EUTHYMOL COLD CREAM is wholesome. It is smooth. It rubs in nicely and is quickly absorbed. It is exquisitely scented. It is all that a cold cream need be or should be.

Dependable laundering. Usually it is a very difficult matter to find a laundry that is thoroughly dependable—where you can always count on everything always done right. Our laundry performs just that service. Family washings, flat work, dainty fabrics, shirts, collars and cuffs are always handled in the same way, by the same skilled operators and with the same painstaking care. It is this sure and perfect system that is winning us hundreds of friends on Coos Bay. We may not handle your work now, but we surely will soon. Why not start now?

WORK AT OTHER END.

Douglas County Helping to Make Roseburg Road Good One.

The Roseburg Review reprints from the Myrtle Point Enterprise an item regarding what is being done on the Myrtle Point-Roseburg wagon road, in which it is stated that it is to be made an auto route. In commenting upon it the Review says that fully as much more work as is being done in Coos county is being carried on at the Douglas county end of the road. A new grade several miles long has been built along Camas mountain entirely cutting out one of the hardest parts of the trip.

A full line of TUNGSTEN and TANTALUM LAMPS just received.

Paint Your Roof

If you are figuring on painting or repairing your roof this fall we would like the opportunity of quoting you prices on our **ELASTIC ROOF PAINT**.

This paint is as good as its name. Will last for years without repairing. It is a protective coating against corrosion.

This paint dries rapidly, is **WATERPROOF** and **ELASTIC**.

Do not paint your paper roof with coal tar or any of the cheap so-called paper roof paints. Our **ELASTIC ROOF PAINT** will last for years and the price is no higher.
