

# ROOSEVELT IS THE CHAIRMAN

(Continued from page 1.)

the "Old Guard" and he did it with vengeance. He criticised Roosevelt in unmistakable language and said that since he had occupied the White House he had seen the Republican party divided in every State, he had seen his party candidate overwhelmingly defeated, business depressed and intelligent and honest working men without employment and hungry, and criticised him sharply for questioning the decisions of the courts.

Col. Roosevelt laughed at many of Gruber's statements. Some of the delegates hissed Gruber's statement that it could be found that two-thirds of the Roosevelt strength in the convention came from federal office holders. At one point jeers and cat calls became so great Roosevelt leaped to his feet waving hands at the delegates saying, "I ask a full hearing for Col. Gruber," but the hisses did not entirely cease. Comptroller Prendergast was given the floor and congratulated Roosevelt on Gruber's speech. The roll call was 567 for Roosevelt and 455 for Sherman. Roosevelt accepted the nomination in a speech in which he reiterated his recent remarks on the political situation.

# M. F. PLANT IS IN PORT TODAY

### Arrives Yesterday Afternoon From San Francisco and Sails Again To-Day.

The steamer M. F. Plant arrived yesterday afternoon from San Francisco. She was detained for a time getting up from the lower bay. At Empire the vessel tied up and in starting pulled up a piling to which a line was fastened. There was danger of the piling getting caught in the steering gear and the boat waited until the tug pulled the piling loose.

The Plant sails this afternoon at 3 o'clock for San Francisco. Those who arrived on the boat were as follows: Mrs. McLachlan, Mrs. Kern, G. A. Olsen, Mrs. Olsen, J. W. Gunn, Mrs. Gunn, M. Danzue, P. Ryan, R. Forsythe, T. Bradley, J. L. Tisdale, P. Peterson, J. Fuller, J. Morgan, J. E. Gill, Mrs. Gill, E. S. Brown, C. D. Miner, F. W. Kern, F. W. Kern, Jr., J. Hoelling, Mrs. Hoelling, F. Hoelling, Harry Law, C. E. Jordan, J. W. Proctor, G. Bilcheff, R. Kyne, A. Little, D. Roberts, J. Kane, S. Thoroff, A. Slatter, A. Pastores, J. Labas, P. Hafke, P. Biretey, J. Lorigue, W. McEvans, P. Carnock.

### Outgoing List.

Those who left on the Plant this afternoon were the following:

Geo. Baker, Lloyd Wood, Josephine Williams, F. Rohns, J. Barrett, Warren Painter, Mrs. Painter and child, Geo. Baker, S. Wood, A. Noah, Mrs. Noah, Ruth Walrath, Mrs. Minot, Mrs. G. Pernaban, Dr. Ellis Harber, T. Geron, Mrs. J. H. Somers, J. Randall, N. Holiday, and three in the steerage.

### Vanity Tickled.

During the early excesses of the French revolution a rabble of men and women were rioting in the streets of Paris. Lafayette appeared and ordered a young artillery officer to open fire upon them with two cannon. The officer begged the general to let him try first to persuade them to withdraw. "It is useless to appeal to their reason," said the general.

"Certainly," answered the officer, "and it is not to their reason, but to their vanity, I would appeal."

The officer rode up to the front of the mob, doffed his cocked hat, pointed to the guns and said:

"Gentlemen will have the kindness to retire, for I am ordered to shoot down the rabble."

The street was cleared at once, for none could brook the idea of being classed with the scum of the city.

### Domestic Economy.

"My wife threatened if I didn't get her a new hat she'd go home to her mother."

"Why didn't you let her?"

"Her railroad fare would cost more than the hat."—Boston Transcript.

# SAVE MONEY ON YOUR READING

For the benefit of subscribers who are taking or desire to take other publications, The Times has made arrangements whereby it can supply other papers to its patrons at considerably less than they can otherwise be obtained. This arrangement was perfected by what is known as a clubbing system. The only condition attached is that subscriptions must be paid strictly in advance for The Times and for the other paper or papers desired.

If you are taking an outside paper and your subscription is about to expire you can have it renewed at the reduced rate by paying for it and The Times in advance. If you are already paid a year in advance for The Times you can secure the other publication through this office for considerably less than it would otherwise cost you.

It makes no difference whether you are a mail or carrier subscriber of The Times, or whether a subscriber to the Daily or Weekly Times, this offer is good. The Times will be sent to you by either mail or carrier if you live in Marshfield and the other publication by mail.

If you are in arrears for The Times, you can take advantage of this clubbing or money saving offer by paying up your back subscription and paying a year in advance.

The Times has endeavored to secure a list of what it believes to be the most desirable publications for its subscribers and prints it herewith, but if you desire any other publication, The Times will endeavor to get it for you at clubbing rates.

If you can't call at The Times office, mail us your order for publications desired and check or postoffice order for amount specified.

As the new postoffice regulations practically place all mail subscriptions on a cash-in-advance basis, this Club offer should be taken advantage of by at least all who take their paper through the mail. It will be good for a few months only:

George Bryant has built a coal shed near the railroad that will hold several cars of coal, making it possible for him to keep a supply of coal on hand all the time. The bunker is so located that it will be easy to unload the cars and load the wagons as it is on a slope from the track to the roadway.
