

WILL SUPPORT WHOLE TICKET

G. T. Treadgold Writes Pledging His Aid to His Successful Opponents.

EDITOR TIMES: I desire to state to the community through your columns that I, as an Assembly candidate, lately defeated by Mr. Rackleff, an anti-assembly man, will support my successful opponent in the election; also all others of the party candidates regardless of their Assembly standing.

I desire, request and advise my friends and all Republicans to whom the unity, integrity and principles of the party are dear, to do likewise. Any feeling of animosity existing between our rival camps in the party should be eliminated now and a common campaign conducted by us for the success of the Republican ticket.

I am proud of the fact that I had the unanimous endorsement of the Assembly, am still an Assembly man and a thorough believer in organization, but above all, am a Republican—not merely for the name, but for the principles represented by the name.

My successful opponent is a good man, as are all of the individuals selected in our county primaries and they should receive the united support of both Assembly and anti-assembly Republicans. A split in the party now means more Democratic victories and for the sake of Republicanism, I desire to close this note with my coat off for action on behalf of the whole ticket.

Yours for the success of the Grand Old Party, G. F. TREADGOLD.

A CARD.

TO THE VOTERS OF COOS AND CURRY COUNTIES:

From present indications Mr. S. P. Peirce has received the Republican nomination for Representative for the Sixth District, Coos and Curry counties. I desire to take this opportunity to thank my friends for the support accorded me in the primaries. Though defeated, I am still a Republican from principle, and pledge to my successful opponent my heartiest support, and will do everything in my power for the success of the entire Republican ticket as nominated at the primary election. Very respectfully, GEO. N. FARRIN.

MAY ENLARGE MARSHFIELD

(Continued from page 1.)

Tribbley to serve personal notices in the presence of witnesses on all parties who had failed to comply with the ordinance requiring the proper installation of chimneys and stove pipe guards. As soon as these notices are served, seventy-five or eighty will be arrested and fined. Terra cotta chimneys and the running of stove pipes through board walls without any guards are the principal violations.

Upon application of Walter Condon, the council advised that preliminary steps be taken so that Haines or Fifth street can be opened up from Hall avenue to Elrod soon.

Chairman Albrecht of the street committee was authorized to install eight incandescent lights along the Fernside road, to put in arc lights at Fifth and Donnelly and Seventh and Donnelly. Additional light will probably be provided for the Pine street stairway. Hugh McLain asked for a light on Highland near his home, but he was informed that the city couldn't afford it now.

Mayor Straw reported that W. C. Deubner was very anxious to straighten out the street near the Deubner place now. He said that Mr. Deubner would settle for a reasonable price. It was also reported that D. L. Rood, Tom Lawhorn and others would move their buildings for nothing. City Attorney Goss was instructed to try and settle with Deubner with the understanding that not more than \$350 would be paid him.

City Recorder Butler was instructed to advertise for bids for building a new wharf at the foot of Market avenue. Messrs. Lockhart, Bowman and others are to rebuild their share of the street, but the work has been cannot complete it this season and the street is becoming dangerous for travel.

Councilman Nelson was unable to attend last night as he is reported to be quite ill. In consequence, the council was unable to take action on the Anderson avenue and improvement ordinance.

No action has been taken on the resignation of Councilman Hennessey. He was not present.

Jas. McCutcheon, who was elected to succeed Ben Schuyler as the merchant nightwatchman, was appointed special police officer by the council and his salary fixed at \$1 per year. The latter action was taken to prevent the city being held liable for his salary, which is paid by subscriptions from front street business houses.

Fourth street was ordered raised to connect with Elrod avenue.

The council will meet two weeks from last night as a board of equalization to pass on the assessments for improving the alley along the Adelsperger, Juza and other residence property in South Marshfield. It will cost about twenty-five cents per front foot.

An amendment to the building ordinance providing for free permits for raising and lowering buildings to conform with changes in street grades was read but could not be passed owing to Councilman Nelson's absence.

The Coos Bay Paving and Construction Company was ordered paid about \$2,000 on their Hall avenue improvement contract so that they could buy the special improvement bonds on that street.

M. H. Blivens was awarded the improvement bonds issued on account of the Highland avenue improvement.

On the various improvements, the contractors were paid the following sums: On Highland avenue, \$391; on Flanagan avenue, \$120; on Eighth street, \$500; on Ninth street, \$150; on Elrod avenue, \$440; on West Marshfield sewer, \$380.

SKOOKUM DIED FIGHTING.

Famous Coos Bay Dog Meets Death at Allegany.

Skookum, the dog which is probably more famed than any other animal that ever lived on Coos Bay, has at last met death, but happy to say he died with his boots on as should all good fighting dogs. Skookum was the inseparable companion of "Buckshot," who for years was the driver of the Blanco Hotel stage. Lately "Buckshot" has been working at Allegany and of course Skookum was up there with him. The only details of the sad news received are that Skookum got mixed up with another dog. It appears that his fighting qualities were not as good as in former years. At any rate, the other dog was the best and it was curtains with Skookum. He died after the fight, and has been planted under six feet of ground, and "Buckshot" has declared that he will never own another dog as long as he lives but will keep only the memory of Skookum.

NEW MONUMENT IS DEDICATED

Old Soldiers Gather at Memorial For Pennsylvania Men at Gettysburg.

(By Associated Press.)

GETTYSBURG, Pa., Sept. 28.—In the presence of a large assemblage, the memorial to Pennsylvania soldiers who fought at Gettysburg July 1, 2 and 3, 1863, was dedicated. Among those present were nearly 5,000 veterans of the Civil War from this State. No display or ostentation marked the ceremonies. There was no parade or salutes, the veterans simply gathering at the spot and listening to the addresses. Pennsylvania's memorial, which was erected at a cost of \$140,000 is the most imposing monument on the battle field of Gettysburg.

BETTER SHOES!

That's my hobby. The best is none too good for my customers and if good shoes at reasonable prices are what you want, then see me. Cheap shoes are dear at any price and I don't handle them.

Nearly every one has trouble with their shoe laces, or rather have had trouble with the old metal tip shoe strings. I have found something that will eliminate this—the new "Hub-tip" shoe strings. They are a woven tip instead of metal, wear longer than any other lace and look better. Try a pair.

REPAIRING

My offer of twenty-five cents per pair for each pair of man's or woman's shoes brought to me for new soles and heels still holds good. You haven't got your quarter yet; you better come around and get it. I also guarantee my work and leather. What more can you ask?
