

SAVE MONEY ON YOUR READING

For the benefit of subscribers who are taking or desire to take other publications, The Times has made arrangements whereby it can supply other papers to its patrons at considerably less than they can otherwise be obtained. This arrangement was perfected by what is known as a clubbing system. The only condition attached is that subscriptions must be paid strictly in advance for The Times and for the other paper or papers desired.

If you are taking an outside paper and your subscription is about to expire you can have it renewed at the reduced rate by paying for it and The Times in advance. If you are already paid a year in advance for The Times you can secure the other publication through this office for considerably less than it would otherwise cost you.

It makes no difference whether you are a mail or carrier subscriber of The Times, or whether a subscriber to the Daily or Weekly Times, this offer is good. The Times will be sent to you by either mail or carrier if you live in Marshfield and the other publication by mail.

If you are in arrears for The Times, you can take advantage of this clubbing or money saving offer by paying up your back subscription and paying a year in advance.

The Times has endeavored to secure a list of what it believes to be the most desirable publications for its subscribers and prints it herewith, but if you desire any other publication, The Times will endeavor to get it for you at clubbing rates.

If you can't call at The Times office, mail us your order for publications desired and check or postoffice order for amount specified.

As the new postoffice regulations practically place all mail subscriptions on a cash-in-advance basis, this Club offer should be taken advantage of by at least all who take their paper through the mail. It will be good for a few months only:

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc., Stops Pain in the Bladder, Kidneys and Back.
 Wouldn't it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes yellow skin, sluggish bowels, swollen eyelids or ankles, leg cramps, unnatural short breath, sleeplessness and the despondency?
 I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$2.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K1491 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power.
 It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.
