

RECEIVES STRONG HOME ENDORSEMENT

B. F. Jones, Republican Candidate For Circuit Judge Has An Excellent Record.

TOLEDO, Ore., Oct. 4, 1910.

B. F. Jones, Republican candidate for Circuit Judge of the 2nd Judicial District, was born on a farm near Lawrence, Douglas County, Kansas, February 24, 1858. In 1866 his father died, and he came to Oregon with his widowed mother, and settled on the Yaquina Bay in Benton County, where the town of Toledo now stands.

His mother died two years later, and for the next six years he spent the summer time in working in the logging camps of Douglas and Benton Counties on the Umpqua and Yaquina Bays, and going to school in the winter time, acquiring his education in the Public Schools and at the Corvallis College. He then followed steam-boating for ten years, working from deck-hand to captain, and thus acquired a thorough knowledge of Oregon's water-ways.

He served as County Clerk for Lincoln County for three terms, during which time he studied law under the late Judge John Kelsey; and in 1897 was admitted to practice in all the Courts of Oregon, since which time he has been actively engaged in the practice of law.

He represented Polk and Lincoln Counties in the Legislature for three terms, 1903, 1907 and 1909. He introduced the Demurrage Car Shortage bill in the session of 1903, which was defeated, and again in the session of 1909 introduced it, and, being a member of the Committee on Railroads, had it incorporated into the Railroad Commission bill, of which he was one of the strongest supporters.

In the session of 1907, he introduced what is known as the Jones Free Locks bill, appropriating \$300,000, conditioned that the Government would appropriate a like sum for either the purchase of the old or the building of new Locks at the falls on the Willamette River at Oregon City.

At the same session he introduced a bill, and it became a law, repealing the former attempted act of the Legislature, and acts amendatory thereto, granting to the Oregon Pacific Railway Company all the tide and overflowed lands on the Alsea, Siletz and Yaquina Bays, comprising practically all the water-front on these Bays, aggregating about 20,000 acres of tide and overflowed lands, on the grounds that the Legislature had no right to donate State lands to private individuals or corporations; and for the further reason that the railroad company had not, in thirty years, paid any taxes on the land, or complied with other conditions of the law.

In 1908 Mr. Jones filed two suits before the State Railroad Commission in the interest of the public; one against the Pacific Express Company, and the other against the Wells Fargo Express Company, charging that their express rates were unreasonable, unjust and unlawful. These cases have both been decided against the Express Companies, and their rates reduced twenty per cent, thus saving annually to the people of Oregon many thousands of dollars. He is well qualified for the position.

He was nominated without opposition, believes in the Primary law, and a square deal for every one, no matter what their position in life may be.

Another meeting will be held Wednesday night at the Marshfield Chamber of Commerce to perfect the organization of the Marshfield Republican Club. This was decided at a preliminary meeting last Saturday evening when arrangements were made to secure a larger attendance, and concerning some of the minor details of organization.

Saturday night's meeting was not largely attended but those present were unanimous in the decision that the club should be formed. W. U. Douglas presided as temporary chairman and Claude Nasburg as temporary secretary. In order to insure a large turnout at Wednesday night's meeting Jack Meehan, Tom Bennett, Mr. Kendall, Geo. N. Farrin, O. O. Lund and Duncan Ferguson were named as a committee to circulate a membership roll. D. L. Buckingham, M. C. Maloney and C. I. Reigard were appointed a committee to draft by-laws, etc., to be submitted to Wednesday night's meeting.

There was some discussion as to whether the club should have a membership fee. Some thought it should in order to raise funds for the campaign expenses and others thought the membership should be free and that the funds for the campaign expenses should be raised by contributions. It was finally decided to leave this question to be decided at Wednesday night's meeting.

A meeting of the Coos County Republican Central Committee is to be held at Coquille today to perfect arrangements for carrying on the campaign and the results of this meeting will be reported Wednesday night by Committeemen Allen, Ferguson and Schibrede. At a previous meeting of the County Central Committee, Judge Schibrede was elected state committeeman for Coos county.

A campaign finance committee was chosen as follows:

Myrtle Point—L. A. Roberts, L. D. Pulford, L. M. Suplee.
Coquille—A. S. Hammond, J. C. Savage, W. C. Chase.
Marshfield—Wm. Grimes, J. W. Bennett, Duncan Ferguson.
North Bend—Judge J. H. Guerry, A. H. Derbyshire, C. E. Maybee.
Bandon—Col. R. H. Rosa, Chas. Jamieson, Steve Gallier.

LAST LINES.

NO coward soul is mine:
No trembler is the world's storm troubled sphere.
I see heaven's glories shine,
And faith shines equal, arming me from fear.

O GOD, within my breast,
Almighty, ever present Deity!
Life, that in me has rest,
As I—undying life—have power in thee!
—Emily Bronte.

TO THINE OWN SELF BE TRUE

GIVE thy thoughts no tongue,
Nor any unproportioned thought his act.
Be thou familiar, but by no means vulgar.
Those friends thou hast and their adoption tried,
Grapple them to thy soul with hooks of steel;
But do not dull thy palm with entertainment
Of each unbatched, unfledged comrade.
Of entrance to a quarrel, but, being in,
Bear 't that the opposed may beware of thee.
Give every man thy ear, but few thy voice.
Take each man's censure, but reserve thy right.
Costly thy habit as thy purse can buy,
But not expressed in fancy; rich, not gaudy.
For the apparel oft proclaims the man,
And they in France of the best rank and station
Are most select and generous, chief in that.
Neither a borrower nor a lender be,
For loan oft loses both itself and friend,
And borrowing dulls the edge of husbandry.
This, above all—to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man.
—Shakespeare.

PRIZE FISH STORY.

PORTLAND, Ore., Oct. 17.

—What promises to be the prize fish story of the fall season comes from Gresham, where salmon trout are jostling each other in ascending the Sandy River. One trouful fisherman brings in the report that the trout are so thick on the riffles that they trip anglers who are wading in the shallow places, and in some cases the men have been thrown off their feet by the swarming fish. It is an easy matter, under such circumstances, to catch large numbers of the finny rascals and the creels of the Gresham sports are bulging with salmon trout.
