The well of the Miocene Oil and Gas Co. was down about 450 feet last night and they are still pushing it down with all possible haste.

Students of the High School have organized a Literary Society and will entertain the public from time to time. This organization consists of forty-five of the students, and has the following officers: Earl Watkins, Pres.; Thos Laird, Vice-Pres.; Sylvia Rackleff, Sec.; Nora Gibson, Lenton Gallier and Ray Watkins, committee on program.

A number of Bandon young people chartered an automobile and started out for a joy ride Sunday, but when they were about six or eight miles in the country, the machine broke down and they had to hire a team to get them home. They returned about eight o'clock in the evening, a dejected rather than a joyful bunch.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

\$3.50 RECIPE CURES WEAK KIDNEYS, FREE.

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc., Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the stiches and pains in the back; the growing muscle weakness; spots before the eyes yellow skin, sluggish bowels, swollen eyelids or ankles, leg cramps, unnatural short breath, sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K1491 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power. It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.
