TWO-THIRDS OF FLORENCE IS WIPED OUT BY FIRE

Bulk of Business Section of Siuslaw Town Is Burned.

FEW DETAILS OF DESTRUCTION OBTAINED

F. W. Carey Company Heaviest Loser—Coos Bay Men Escape.

According to word received this morning by Fred Hollister of North Bend, one of the officers of the Bank of Florence, two-thirds of the business district of Florence, at the mouth of the Siuslaw, was wiped out by fire late Saturday night.

But meager details of the fire were obtainable. The cause of the blaze which started in one corner of the block occupied by the Wm. Bryan hotel and the F. W. Carey Lumber company's buildings, could not be ascertained. The entire block was wiped out.

The loss is estimated at upwards of \$50,000. No one on the Bay has any idea of the amount of insurance carried. The F. W. Carey company of San Francisco, is the heaviest loser but as they are a strong firm the loss will not be as severe as them as on some of the private concerns.

TELLS ABOUT TWO MURDERS

Leigh Rhodus, Arrested in East St. Louis, Hints at Mysterious Crimes.

(By Associated Press to Coos Bay Times.)

EAST ST. LOUIS, Oct. 24.—After giving the details of many local robberies and hinting at two murders, Leigh Rhodus, who was arrested yesterday, was placed in solitary confinement today. One murder that Rhodus intimated he knew about was of a man named Michael's of Chicago, and the other captain Potter of Northern Missouri. The police believe he referred to the mysterious death of Dr. W. F. Michaels in Chicago, August 5. Rhodus admitted he was in Chicago at that time. Mrs. Rhodus told the police that her husband came home and stated he had held up and shot a doctor.

As Mrs. Rhodus was leaving the station, her husband called to her, "If anything happens to me, you kill yourself." The couple were married in July after returning here from Chicago. They lived at one of the leading family hotels in this city.

(By Associated Press to Coos Bay Times.)

CHICAGO, Oct. 24.—Twenty suspects were examined in connection with the murder of Dr. Michael's, a dentist, but no incriminating evidence was adduced.

FOREST FIRES COST MILLIONS

Government Estimates Loss of Six Billion Board Feet of Lumber.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., Oct. 24.—Six billion board feet of lumber valued at about \$15,000,000 were destroyed in the recent forest fires; the National forests of Montana and Idaho. The total area burned over in this one district was 1,250,000 acres. The heaviest losses two Idaho forests, Coeur D'Alene where 450,000 acres were burned over and Clearwater, where 200,000 acres were burned over. The other heavy losses were Helena National forest in Montana, 500,000,000 feet; Cabinet, 400,000,000 feet; Lolo forest, 300,000,000. How much of the burned or killed timber can be saved it is impossible to predict; \$15,000,000 is the estimate based on the total loss.

HOPE MISSING MEN ARE ALIVE NINETEEN LIVES LOST IN NEW FOUNDLAND SHIPWRECK

Message Received From "America III," the Only Missing Craft In the St. Louis Entries.

(By Associated Press to Coos Bay Times.)

ST. LOUIS, Oct. 24.—The balloon "America III," the only one in the international balloon race that has not been reported landing, passed over Thompsonville, Mich., Tuesday, October 18 according to a message received today by the Aero Club of St. Louis. The message was signed by Alan R. Hawley and Augustus Post, pilot and aide. It was dropped to a farmer eight miles from Thompsonville. It read "Thompsonville, Mich., "America III" passed over this place Tuesday. Course due north." The course followed was that of the "Azores" and the "Helvetia." The former landed 32 miles northeast of Biscotasing, Ont., and the latter near Villa Marie, Ont. The receipt of the message has revived the hope that Hawley and Post are alive. Now it is only a question of getting them back to civilization. The Hudson Bay Company and other searching parties are looking for the missing balloonists.

FEEL IN WILDERNESS. Think Missing Balloon Is In Wild Region of Canada.

(By Associated Press to Coos Bay Times.)

TORONTO, Can., Oct. 24.—A report today from Richard Cole that he and canoeist companions saw a balloon crash into a dense Ontario forest and burst and were unable to reach the spot, although it appeared but a mile away, was quoted today as showing the difficulties which even a well equipped expedition must meet. Those who know the district beyond Kiskisno, Quebec, are not surprised that the racers have not been heard from if they continued into that wilderness. There the Quebec and the St. Lawrence railroad and the Saguenay River and St. Lawrence form triangle around thousands of square miles of wilderness. It was here on this triangle that an unknown balloon was reported to have entered Wednesday. The triangle is not entirely uninhabited and today Indian runners and woodsmen were sent out to find trace of the missing aeronauts.

Roberts, August Weis, Mr. Booth, Mrs. Booth, Geo. Langsing, Fred Momo and ten steerage.

GEO. SHEPHERD TO TALK HERE

Prominent Portland Orator to Assist in Local Republican Campaign.

Ch. B. Selby, chairman of the Republican County Central committee received a telegram today stating that Hon. Geo. S. Shephard of Portland, one of the ablest orators in the state, has been secured for two speeches in Coos county. He will arrive on the Breakwater next week and will speak in Coquille on Thursday evening, March 28, and in Marshfield, Friday evening, October 28. It is expected that other outside speakers will be secured to assist in the Republican campaign in Coos county. Besides the outside talent, a number of Coos county men have been engaged to speak at various points in the county during the next three weeks.

be elected from Coos or Curry county, yet it is fair to assume that the spirit of the law contemplates that one of the judges elected shall at the time of his election, be a resident of Coos or Curry county.

It is fair to the people of Coos and Curry counties to elect one of their residents as judge.

When the legislature enacted the law creating the third judgeship of the second judicial district, the governor of Oregon selected a resident of Coos county for the appointment. He appointed Hon. John S. Coke, who had been a resident of Coos county for more than thirty years; a lawyer who had practiced his profession within the bounds of Coos county for nearly twenty years. After Judge Coke had been tried out as circuit judge, following his appointment in February, 1909, the people of Coos and Curry counties, by an overwhelming vote in the primary election, expressed a wish that Judge John S. Coke be elected as the judge to reside in Coos or Curry county.

The wishes of the people of the counties should be respected. Personally, I have known Judge Coke for seventeen years and know him to be a man of integrity, ability, learning and he will make one of the best judges that ever presided in a court of justice within the state of Oregon. The people who know him best admire him the most. You have a right to vote for two judges at the coming November election and one of your votes should be cast for Coke.

Yours very truly, GEO. M. BROWN.

PHILADELPHIA 1910 CHAMPS

Takes Fifth Game of World's Series From Chicago Sunday.

(By Associated Press to Coos Bay Times.)

CHICAGO, Ill., Oct. 24.—By a score of seven to two, the Philadelphia American League Champions wrested the fifth game of the World's Championship series from the Chicago National League Pennant winners yesterday and gained the 1910 baseball honors. The game was played in Chicago and was witnessed by a record-breaking crowd.

Brown and Archer were the Chicago battery and Coombs and Thomas the Philadelphia battery.

Substitutes: Coquille—J. Juza, Patterson, Glenn. Marshfield—Bob Krueger, Chas. Merchant, Ed Dolan, G Snyder, Bob Krueger replaced Guilliams in second half a right guard.

The Coquille rooters saw their football team defeated yesterday on the Marshfield grounds, but the victory was not overwhelming and when the teams meet again, Coquille is likely to turn the tables, if form is taken into consideration. Though defeated, Coquille played a good game, both offensive and defensive, but before the county seat boys were able to solve the forward pass employed by Captain Blanchard's eleven, two touchdowns were scored.

Marshfield used the forward pass to good advantage, though two trials were frustrated. Coquille thought to gain by this means towards the latter part of the game but most of their trials were intercepted and they went back to straight football.

It was a most interesting game throughout, for the Coquille team had the ball within 20 yards of Marshfield's goal twice. The home boys held, however, and soon worked the ball down the field. There was the usual satisfaction among the players over the clean, fair game.

Steamer Regulus Sunk Nine Miles From St. Johns Today.

MEAGER REPORTS ARE RECEIVED FROM IT

Was Bound From Belle Isle to Sydney—Occurred at Shoal Bay.

(By Associated Press to Coos Bay Times.)

ST. JOHNS, N. F., Oct. 24.—News of the wreck of the steamer Regulus, bound from Belle Isle to Sydney with the loss of nineteen of the crew has been received here. The wreck was at Shoal Bay, nine miles from here.

POPE PIUS IS WELL

No Truth In Rumor That He Is Indisposed.

(By Associated Press to Coos Bay Times.)

ROME, Oct. 24.—The report that Pope Pius is indisposed of gout is unfounded. He held his usual receptions today.

played by both sides and nothing occurred to cause any ill feeling.

Two amusing incidents occurred in the last half of the game. Marshfield fumbled the ball and one of the Belloni boys grabbed it and started for his opponents' goal. Somebody downed him after he had covered 19 yards, or it is just possible he might have made a touchdown for Marshfield. Coquille attempted a forward pass. H. Briggs jumped into the air at scrimmage line and caught it.

The game was the first played in Marshfield under the new rules, and, except to a close observer, is no different from old style play. A lack of mass plays is noticeable in the new game, for players are not allowed to push and pull the man carrying the ball.

The Coquille bunch, who came over on a special train were here in style, bringing the Coquille band and a large crowd. The rooters were flaming red hats and seemed proud of their identities.

It was an ideal, clear day and the gridiron was in fair condition for the game. Will Chandler refereed the contest and Geo Gage was umpire. Their decisions were never questioned. S. P. Bartlett of Coquille, was head timekeeper and linesman.

Marshfield had a few fukes, as some of the boys had not practiced and went into the game unprepared and got mixed on signals several times. Coquille had beaten Myrtle Point last week and yesterday seemed confident of mastering the Marshfield Independents, but Marshfield has the advantage of Mr. Graves' coaching and plays and it stood them in good stead. They realize, however, that if they win the majority of the games to be played against Coquille, they will have to be faithful in practice and have something new to serve in future games. Coquille outweighs Marshfield six pounds to the man.

Manager Robert Dillard of the Marshfield Independents, today received a challenge from the Myrtle Point Independents and may arrange a game with them in the near future.
