THE WEATHER.

(By Associated Press.)

OREGON—Fair tonight and Friday.

LOCAL TEMPERATURE REPORT.

For twenty-four hours ending at 4:45 p.m., Oct. 26, by Mrs. Minus, special government meteorological observer.
 Maximum..... 68
 Minimum..... 37
 At 4:45 p.m..... 61
 Precipitation..... none
 Wind—Northwest; clear.

Kills Deer.—Frank Black killed a three point buck on Catching Inlet yesterday and is having the head mounted by O. O. Lund as a trophy of his marksmanship.

Bell Bothers Him.—Carl Albrecht was able to be out today for the first time in a week, having been confined to his home nursing one of Joh's Comforters. It was on the interior of Carl's nasal appendage and he still has to keep the member bandaged.

To Get Hydrants.—Chairman Sayre of the Fire and Water Committee of the city council reported to that body Tuesday night that \$5 each was the price named to him by a New Jersey foundry for six-inch fire hydrants. The freight on them here

would make the cost considerably greater and it was decided to try and have a North Bend foundry cast the hydrants if they can do it at a reasonable figure. A number of new hydrants are to be put in.

In Roseburg.—Oswald West, democratic candidate for governor, will speak at the court-house, in Roseburg, Wednesday evening at 8 o'clock. He is accompanied by Hugh McLain, candidate for railroad commissioner.—Roseburg News.

On Vacation.—I. S. Kaufman left today via Drain for Central Oregon where he will spend a short vacation. He expects to meet President Clarke at Drain or Roseburg and talk over the railway situation with him.

Initiate Three.—Marshfield Lodge of Elks, No. 1160, last evening initiated three new members, A. T.

Haines, W. Ross Smith and W. B. Mortenson. Mr. Mortenson, who was formerly with the Union Meat Company here, came down from Portland to ascertain the mysteries of the antlers and he "got his."

Clarke Coming.—Francis H. Clarke, president of the Coos Bay and Boise Railway, did not arrive on the Bay yesterday as was expected by some but will soon. Tom Nicols, who returned from Portland today on the Breakwater saw Mr. Clarke there and was informed that he intended to leave yesterday overland for home.

Can't Come.—Rev. J. C. Fawcett, who was expected here today to determine whether or not he would take the Presbyterian pastorate made vacant by the resignation of Rev. F. R. Zugg, was unable to come. The Hallowe'en social planned to be held at the church this evening as a reception to him will be held anyway for the members.

W. C. T. U. MEETING.

The W. C. T. U. will meet at the Methodist church Friday afternoon at 2:30. A full attendance is requested as there will be reports from the State Convention, also other interesting features.

The Sisters of BETHANY will give a promenade CONCERT with amusement booth in the ODD FELLOWS hall on Hallowe'en eve.

TRUST COMPANY.

Bandon Men Organize New Financial Concern.

"The Guarantee Loan and Trust Company, composed of a number of leading business men of Bandon and vicinity, has been organized and capitalized for \$50,000. The object of the company is to handle money, giving long time loans, and to launch into any other business that they may see an opportunity for advancement. "The stock holders met at the First National Bank and elected the following directors: C. Y. Lowe, Elbert Dyer, Wm. Hickling, E. E. Onkes, Dr. H. L. Houston, E. B. Thrift, A. McNair and Thos. Devoreaux. The officers of the company have not been elected as yet, but will be chosen by the directors at a called meeting in the near future."

WILL GET SHIP.

PORTLAND, Ore., Oct. 27.—George S. Shepherd, an officer of the Oregon Naval Reserve, left on the steamship Breakwater for Coos Bay, where a division of the organization was formed recently. He will visit Marshfield and North Bend in the interest of the reserve. The division down that way started off with a membership of 75, and it gives promise of becoming much stronger numerically. Captain J. F. Blain, another officer of the reserve, says there is no doubt that the Portland division will succeed in getting a ship stationed here permanently.
