

# The Famous Rayo

## Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

## It Makes a Difference

In your baking. If you use Olympic Flour you are sure of greater success than if you use other brands. You see Olympic Flour is made only from selected Northwestern grown—Blue Stem—wheat. You can depend upon it. It is always the same. The bread, biscuit and pastry you bake next week will be just as good as those you baked this week. If the flour varies, as some flours do, your baking will not—cannot be the same right along. Insist upon Olympic all the time and note the difference.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is a new internal remedy, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer the Hundred Dollar Reward for any case that it fails to cure. Send for list of testimonials.

Mayor Haines and Justice Long Mix On Street.  
ROSEBURG, Ore., Oct. 28.—Two members of Roseburg's officialdom were the principals in a flaic encounter on upper Douglas street during the noon hour. The combatants were Mayor F. W. Haynes and Justice of the Peace John T. Long, both of whom live in the vicinity of the place where the affray occurred. Mr. Long took exceptions to permission given by Haynes to a neighbor, P. M. Mathews to build a set of steps from the border of his property over the sidewalk, as Long claims. According to eye witnesses one word brought on another, until finally there came the grand clinch, and both men went down in a heap. It is also said that several stinging blows were landed pro and con, evidencing that the participants were well versed in the manly art.
