

# AUTUMN IDEAS

WE ARE NOW SHOWING THE LATEST "AUTUMN IDEAS" THROUGHOUT OUR ENTIRE ESTABLISHMENT. ONE OF OUR "IDEAS" IS THAT QUALITY SHALL ALWAYS BE THE BEST; ANOTHER "IDEA" WE HAVE IS, THAT NO CUSTOMER SHALL LEAVE OUR STORE WITH A GARMENT THAT IS NOT PERFECTLY FITTED. THAT WE SHALL NOT OVERCHARGE, BUT GIVE A FAIR PRICE TO THOSE WHO GIVE US THEIR CONFIDENCE, IS ALSO ONE OF OUR "IDEAS."

WE SHALL BE PLEASED TO SHOW YOU OUR LATEST "AUTUMN IDEAS" IN MERCHANDISE.

## New Arrivals in Ladies' Suits and Coats

A delayed shipment of Ladies' Garments reached us this week and they are now on display. The showing in LADIES' SUITS comprises every new idea; Heavy Mannish Coats, Plush, also Caracul Coats.

These garments were bought for earlier display, but through conditions over which we have no control, we are compelled to announce them a month late. Owing to this fact we have priced the entire line of new garments to go at once.

Garments that should sell for \$40.00 we have marked at \$32.50

Garments that should sell for \$35.00 we have marked at \$27.50

Garments that should sell for \$30.00 we have marked at \$22.50

Garments that should sell for \$27.50 we have marked at \$20.00

and so on through the line, making this introductory sale of great advantage to early buyers. This special sale will not last long so we advise an early selection while the assortment is complete.

## WRITES ABOUT THE JUDGESHIP

(Continued from page 1.)

to select other officers, they are in the same measure good for selecting good judges. If they are useless to select judges, they are useless for all other offices. I am therefore a party man and those are my reasons for supporting the candidates of the party to which I belong.

When, however, a candidate so far forgets the obligation he owes his party, as to secretly lend his support to candidates of the opposing party, he forfeits and disqualifies himself for the allegiance of the party, and I hold myself freed from any obligation to support him simply as a party nominee.

If I thought Judge Coke sought the nomination of the democratic party by secret arrangement with Judge Hamilton to have a few democrats write in the name of Judge Coke on their ballots, and that Judge Coke thereafter considered himself under no obligation to support Benjamin F. Jones, a fellow candidate of the same party to which Judge Coke had voluntarily allied himself, I would treat Judge Coke as purely a non-partisan, and his actions in seeking the nomination of my party for such a purpose, would, as far as I am concerned, be rather a discredit to him than an indorsement.

The bane of the republican party has been the acquisition in its ranks of Bourbon democracy. I honor the democrat who belongs to his party because he believes it is the party of the plain people and the best instrument of government by the people, and I would like to see him join the Republican party and become an active worker in its ranks for the same purpose. But God protect the Republican party from its new friends, the moneyed aristocracy of the Democratic party, who are trying to run the party of Abraham Lincoln! For when they get in con-

trol, it will fall, "Like Lucifer, never to hope again."

If I were released, as above set forth, from my party fealty, which I adhere to only because I deem it the best guarantee of the ultimate fitness of candidates, no consideration could be more potent to my mind, than an alliance with predatory wealth, which is threatening to undermine our very government, in deciding my vote against a candidate. Predatory wealth cares nothing for party. It supports Republicans and Democrats indiscriminately. It has a surer game. It owns the candidate.
