The large number of cases  
of foot ills cured by "Natural  
Shape" Florsheim shoes have  
so affected the business of phy-  
sicians and chiropodists that  
there is liable to be a serious  
protest from local practi-  
tioners.

The annoyance and discomfort oc-  
casioned by poorly made and improp-  
erly fitted shoes is entirely unnecessary.  
No matter what the style or shape  
—every Florsheim shoe is made over  
lasts that are modeled from measure-  
ments of the natural foot.

We are shoe fitters and will see  
that you get your proper size.  
A complete showing at \$5.00.

We judge a tree by what fruit it  
bears,—and the future by the past.  
If the fruit on Joe Bennett's tree is  
of the "hold up" variety, it is quite  
safe to figure that it will continue  
to bear the same fruit. Therefore  
take his Port Amendment with a  
grain of salt, and when voting on  
this measure put a plain X behind  
number 367 on your ticket, which  
means that we want the majority to  
rule and don't want to stop progress  
—just because Elijah and Joe Ben-  
nett object. C. R. PECK.

Vote YES on Port. Measure calling  
for \$300,000 bond issue by putting  
a plain X behind 368.

**MANY TALK ON  
PROHIBITION**

Mass Meeting Held at Marsh-  
field Tabernacle Sunday  
Evening.

The Prohibition meeting held at  
the Marshfield Tabernacle Sunday  
evening was well attended despite the  
inclement weather. M. C. Horton  
presided as chairman of the meeting  
and a dozen local men delivered short  
talks urging the cause of prohibition  
for Tuesday's election. The speak-  
ing program was interspersed with  
vocal numbers.

The meeting was opened by scrip-  
ture reading by Rev. J. Richard Olson  
and prayer by Rev. H. I. Rutledge  
and the speakers and their subjects  
were as follows:

C. H. Marsh on "Greater Home  
Rule."

Warrant Feature."

Rev. G. LeRoy Hall on "Personal  
Liberty."

Prohibit."

and the Saloon."

Vote."

**REPUBLICANS VOTE FOR B. F.  
JONES.**

To the Voters of Coos County:  
Certain influences are at work to  
induce you to vote for Judge Hamil-  
ton, a Democrat, as against Mr.  
Jones, a Republican, for Circuit  
Judge. Mr. Jones is a good clean  
man and if elected will make an ef-  
ficient, capable and upright official.  
To vote for Mr. Jones will not jeop-  
ardize the chances of Judge Coke  
one whit more than to vote for  
Judge Hamilton. Do not be deceiv-  
ed. We do not want the reputation  
of knifing a candidate from abroad,  
because if we do it will be visited  
upon us in the future. Let us "vote"  
fair. There is no excuse for any  
Republican refusing to support B. F.  
Jones.

**If You Only Knew**

How painstakingly Olympic Flour is made  
you would surely insist upon having no  
other in the house. Every kernel of  
wheat that goes into Olympic Flour is  
thoroughly washed before it goes through  
the mill. It isn't touched by human hands  
after it is washed. It comes to you clean  
and sweet.

Only the very finest selected Northwest-  
ern grown Blue Stem wheat goes into  
Olympic Flour. Every batch undergoes a  
laboratory test to make sure that every  
sack is uniform. That is why Olympic  
makes the best bread, biscuit and pastry  
—always.
