

WOMAN'S WORLD

(Continued from Page 2.)

this poet was at its best in his rendition of "A Summer Shower."

The music was under the supervision of Mrs. M. H. Bliven and proved to be a very attractive feature of the entertainment. The mandolin duets by the Isaacson brothers were well rendered and highly appreciated. A quintette from the Chamblade Club rendered Riley's "There Little Girl Don't Cry" in a very impressive manner. Miss Mabel Clare Mills was in her usual splendid voice and held the audience spell bound. L. K. Ballinger's rendition of the song "Beloved, It Is Morn" was handled with his characteristic force. The church was artistically decorated with ferns and flowers.

Miss Ruth Allen entertained twelve young friends at a thimble party at the home of her parents, Mr and Mrs. F. E. Allen, in South Marshfield yesterday. The home was prettily decorated in yellow and white, huckleberries and chrysanthemums being used. Miss Nora Tower won the guessing contest prize. A Bake Shop Test

Is made of every milling that Olympic Flour is made of. One of the best bake shops anywhere is run in connection with the mill that makes Olympic Flour. Every batch of flour that goes through the mill is tested. It has to be up to the highest standard—has to make the best bread possible, else it doesn't go into the Olympic sacks.

That is the reason your bakings of bread, biscuit and pastry are always uniformly good when you use Olympic. Your bakings can't be expected to be the same—always unless the flour is. Therein lies the beauty of using Olympic.
