George Lawrence of Curry County, Has Exciting Experience. GOLD BEACH, Ore., Dec. 17. — George Lawrence wears the belt for bravery among all the numerous bear-hunters in Curry. While out for a bear hunt with Elmer Miller and John Ostrander last Saturday. George had all the fun he anticipat- ed. The dogs started a large bear and ran it several hours finally bringing it to bay in Pistol river. George, who was fleetier than his companions, beat them to where the dogs were baying it. His nerve, however, steady it was, was better than his judgment, for he missed the bear and laying the fault to the gun, decided at once that the rifle would be a better club than gun, so he waded out to where his Bearshty was and dealt him a deadly blow over the head with the gun barrel. Mr. Bruin succumbed to the blow, and George carried his gun home in his haversack, there being more pieces than he could carry in his hands.

Hume Estate Will Fight Stopping of Rogue River Fishing. The Gold Beach Globe says: "It is reported that the Hume estate will begin action in the Federal court against the State of Oregon to have the vote, on the closing of the Rogue to commercial fishing, annulled. The Federal court should annul this vote and not allow it to become a law, as it originated through personal spite towards the late R. D. Hume. There would be as much justice to stop the Medford people from raising fruit for the commercial market as to close the Rogue to commercial fishing."
