It always pays to buy good goods—and especially if they are to be presented as gifts. Every one understands the quality of our goods and as to the newness and exclusiveness in designs, no other establishment can make better offerings or lower prices. This season we have marked everything exceedingly close — making the prices in strict keeping with the times. In many of the articles we offer decided bargains as you will realize after an inspection. No matter what you wish to buy—a simple inexpensive piece or a large article—you will certainly be well repaid in buying from our stock. We want you to feel free to come in at any time and examine our goods. If you will do this carefully—and note the low prices—we are not afraid of your decision.

**What a Pleasure It Is**

To know that every time you bake you are absolutely sure your bread, biscuit and pastry are going to be just as good as you know how to make them. There is only one way to be sure. That is to be sure that the flour you use is always the same. Every sack of Snow Drift Flour is just the same as every other sack. A baking of bread is made at the mill's bake shop or every batch of flour made for Snow Drift. That baking has to show that the flour is up to standard. If it isn't it is thrown out. It never goes into a Snow Drift sack. Snow Drift is not a bleached flour. It is naturally white. Made from the finest, selected, Northwestern grown, Blue Stem wheat. A trial of one sack will convince you of its advantages over other brands.
