A Christmas Gift That Will Never be Forgotten

The King of All Cylinder Machines

The new "DEK" Columbia Graphophone is the one machine of its kind. It embodies the very points which have made the great success of the Disc Graphophones. Compact, convenient, shapely and simple, it is an entirely new departure in talking machine design. Plays both 2-minute and 4-minute records.

It has the famous Columbia Tone Arm and a big flower horn. No rubber tube, no horn crane, no horn stand—and the horn swings in any direction.
