Do You Own a Home?

If not why not? Certainly not because you cannot afford it. We have often told you about Bay Park, but let us repeat. There is no addition on the Bay with the convenience of Bay Park, where lots may be had at such low prices and easy terms. Has electric light, telephone, water, city delivery of groceries, and is easy of access by water, rail or wagon road.

During this year many have bought in this addition, but there are still some who have not. Do not let 1911 pass without owning a home some place on Coos Bay, and we would like to know of the addition affording the opportunities of Bay Park. Lots \$10 down and \$5.00 per month. If you are from Missouri or any other state, come in, we will show you.

One Good Way to Make Money Is to Begin Saving "New Shoe Money"

Let us repair your old shoes—they'll wear you two and three and four times as long and will look like new ones as long as you wear them. We repair your old shoes while you wait or you can leave them here, we'll fix 'em quickly. We'll make your old "cripples" (shoes) look like new and they will be easier on your feet than having to break in new ones besides the big difference in the cost of repairs and the price of a new pair.

WE DO THE BEST REPAIR WORK IN THE CITY AT THE LOWEST PRICES.

COME ON BOYS!
