This sale will be unlike anything you have ever seen before. People will cram, jam and pack this town like a circus to get their share of these stupendous bargains.

A Powerful Wealth of Money-Saving Opportunities Await You

We are going out of business, and every article down to our fixtures are offered at a big sacrifice. We offer you no "Baits" to get you to come. The entire store is alive with genuine bargains, that will mean a saving to you of 25 cents to 60 cents on every dollar you spend. This is an opportunity of a lifetime to save money. "Procrastination is the thief of time." Don't wait, when the sun rises tomorrow morning, for this event is going to sweep this country like a whirlwind. People are going to buy as they never bought before. Doors open at 9 o'clock a. m. and close at 8:30 p. m. daily.

Store Closed Ten Days

To Get Ready for the Greatest Sale Ever Known Here.

For ten solid days, we have been working day and night, inventorying this gigantic stock, and arranging it and marking it down.

Everything will be marked in plain figures, and conveniently displayed to make buying pleasant and easy.

Extra salespeople and cashiers and bundle-wrappers will be employed to wait on you promptly. But in crowds such as will attend this sale, there will sometimes be a little unavoidable delay, and we ask for your kind patience and indulgence in such instances.

Country Merchants, Hotels and Private Families Can Now Buy At Much Below Wholesale Cost

There is almost an endless stock to select from. There are no restrictions as to quantities you buy. Everything is for sale, and you may buy all you want at these sacrificing prices.

Goods for out of town will be packed and delivered f. o. b. boats at North Bend, or the railroad depot at Marshfield.

Mail orders will be filled only when same amounts to \$5.00 or over. No samples for piece goods can be furnished. Telephone or c. o. d. orders will not be filled. No goods will be laid away without having been paid for.

Below We Show a few of the Big Savings.

Tomorrow Is the Big Day

Nothing Will Ever Equal It For Crowds and Fast Selling.
