

MARSHFIELD SCHOOL NEWS

The Sophomore class of the high school has effected a class organization with Ruth Horton, president; Max Reigard, vice-president, and Zetta Mitchell secretary and treasurer.

The German club met with Miss Montgomery on Thursday evening, Feb. 23. Officers were elected for the next year, those selected being Nora Tower, president; May Prens, vice-president; Inez Johnson, secretary.

Pupils of the High school who received "conditions" in any of their subjects at the close of the first semester will be given an opportunity to remove them by special examination on Saturday, March 4.

The regular meeting of the teachers of the grammar grades will be held Monday P. M. at four o'clock. Miss Maloney will have charge of the meeting.

Superintendent Park of the Myrtle Point school, Mrs. Park, Miss Anna, teacher of music in the Myrtle Point schools, and the boys of the basket ball team paid the Marshfield schools a visit Friday morning.

Will Horton, acting on physician's order, has dropped school for the present. Our united hope is extended for a speedy recovery from his serious illness.

Sickness during the past month has handicapped all school activities from daily school work to debate work and athletic contests.

The schools of Coquille took Friday as a holiday instead of Wednesday and Marshfield students and teacher in that town for the basket ball game were permitted to visit the school there Wednesday forenoon.

Mrs. Mary Thompson of the Central school assumed temporary charge of Mrs. Kelley's room in the South Marshfield school, during the enforced absence of the latter caused by the illness of her son, Howard.

(Ministers and others are requested to hand the Sunday church notices not later than Friday evening to insure insertion Saturday.)

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Constipation. Hall's Cathartic is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Cathartic cures it by internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the system strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

\$3.50 RECIPE CURES WEAK KIDNEYS, FREE

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc. Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the sealding, dribbling, straining, or too frequent passage of urine; the forehead, and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K-1491 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power. It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.
