BERNELL IN ROSEBURG.

From reliable source The News is informed that W. F. Bernell, who cut quite a figure in Roseburg theatrical circles, and boasted to his many creditors of owning property in Oklahoma City valued at something like \$40,000, worked this latter "rag" on many Marshfield people to their sorrow. Word received from Oklahoma is to the effect that judgments aggregating \$5,000 are now hanging over the irresistible "Billy's" head with no property at all to his credit. —Roseburg News.
