AMERICAN TROOPS ON THE MEXICAN BORDER.

I ISTORY may not be repeating Itself by the movement of Am- . has the largest basket of fish. erican troops to the Mexican border, but the political atmosphere tingles with electric possibilities recalling the Cuban revolution and the Spanish-American war.

This is the third time that the United States have intervened in been married. Also, that may be the Mexican affairs. The first occasion answer, was when the Texan republic and about the war of 1848. The second divorced wife's bills. Can you blame occurred when the United States or- him? It was the bills he got a didered Napoleon III to quit Mexico, vorce from. and saved the southern republic European aggression. This time action is again taken as a write his own name left a fortune of in restoring the system to a healthy friendly power to hold up the hands \$350,000. He never could indorse condition. Thousands have testfied of law and order and to remove the other men's notes. slightest excuse for interference by any European power with the Monroe doctrine.

So long as this doctrine remains in the foreign policy of the United States it imposes on this country the moral obligation of preventing its territories from being used as a base for insurrections or rebellions against the established government of any other nation on the American continents. The course that the United States are pursuing toward 3CRATCHED FOR 40 YEARS. Mexico is substantially the same as their course in Central America and Cuba when revolution has been attempted there and has used this country as a base for hostile operations.

The action of the American government is good for Mexico, good for our army and good for the United

It tends to strengthen the forces in Mexico that make for peace, prosperity and, in the long run, for really republican government.

It gives the American army much needed practice in playing the military game and becoming prepared for the possibility of acting to proserve peace and guard foreign interests in Mexico.

It assures the United States that their army is an effective force, neither a Quaker gun nor a skeleton.

A St. Louis man got a Black Hand letter written in German. The sender must have been determined to make it as terrifying as possible.

Mr. Taft seems to have learned enough about the presidenting business to realize that at times a little backbone is more important than a big smile.

There is more Catarrh in this rection of the country than all other diverses put together and until the last few years was supposed to be incurable. State Gazetteer and Euriness Direc-

Just issued for 1911-12 is the most

complete work of the kind published.

It contains an accurate business di-

rectory of every city, town and vil-

age in Oregon and Washington, and

the names and addresses of country

merchants and professional men.

umbermen, etc., who are located ad-

acent to villages; also lists of gov-

rnment and county officers, commis-

loners of deeds, state boards, statu-

ory provisions, terms of courts.

names of the postmasters, postoffices,

express, telephone and telegraph of-

fices, justices of the peace, hotels.

daily and weekly newspapers; be-

sides much other information useful

to all classes of business and profes-

sional men. A descriptive sketch of

each place is given, embracing vari-

ous items of interest, such as the lo-

cation, population, distances to dif-

ferent points, the most convenient

shipping stations, the products that

are marketed, stage communication.

trade statistics, the nearest bank les-

cation, mineral interests, churches.

schools libraries and societies. An

important feature is the classified di-

ectory, giving every business arran-

ted under its special heading, thus

enabiling subscribers to obtain at A glance a list of all houses manufac-

turing or dealing in any particular line of goods. The work generally

is compiled to deserve their liberal

patronage.
