### SOME GOOD ADVICE.

Theodore Roosevelt, in a speech at Berkeley, Cal., gave the following good advice to business men: "If a business man can't run a given business without submitting to blackmail, let him get out of that business and into some other business; if his business is such that he has to do a thing that can only be done in the dark, let him, I say, get into some entirely different business. The test is easy: Let him see if he is afraid of being found out in the things he does—if he is, then he should get out."

### OBSERVATIONS.

The Times received a small machinery casting for its press from the east last week by express. The original cost of the casting was \$2.00; the expressage was \$2.45. That's another reason why I favor a government parcels post.

The Progress club is meeting this afternoon to discuss "Living American Poets." I wonder what they will say about Jack Flanagan, A. T. Haines and other contributors to the Poet's corner.

### THOUGHT FOR THE DAY.

Now that we have cleaned up let us keep cleaned throughout the year.

Sometimes the only complimentary thing that you can truthfully say of a Coos Bay man is "He isn't any worse than other men."

One reason some Coos county people make a failure of the chicken business is that they depend upon the chickens to attend to the business.

### CURRY COUNTY NEWS.

A purse of about fifty dollars was raised here last week to pay for a thorough search for M. W. Duncan, who disappeared about January 1. Billie Wilson and Ben Smith were hired to make the search and are now in the hills on that mission. They are both familiar with that section of the country and it is hoped they will find some trace of the missing man and thus clear up all doubts as to how he met his death.

Alf. Cauntleif has part of the material on the ground, and the balance ordered, with which to build an addition to his hotel annex.

### WILL QUIT BUSINESS.

Coquille Valley Packing Company to Wind Up Its Affairs.

The Coquille Valley Packing Company of Coquille and Myrtle Point has closed both meat markets and will be dissolved as soon as the business can be straightened up. D. H. Johnson of this city in an interview stated that the company was in good financial shape and that all outstanding obligations would be fully satisfied. He said the move was caused by the fact that the company had not been making money enough to justify them in staying longer in business and that the members had decided to suspend business before they were in anyway involved. The Myrtle Point shop was closed the first of the week and the shop in this city will be closed today or tomorrow. The members

of the company are D. H. Johnson, E. F. Davenport, J. A. Davenport, W. S. Silingsby and R. C. Dement.—Coquille Sentinel.

### FRESHMEN LOSE GAME.

High School Boys Play Here Saturday.

The baseball game, Saturday, between the Freshmen of the Marshfield High school and a picked team, also from the High school, proved very interesting, the score being 10 to 7, with the Freshies at the short end. The game was close from the start and had it not been for one bad inning, in which the Freshmen went up in the air, letting in five runs, the score might have been different. As it is, the boys are well satisfied with the material which is in sight and if they decide to put out a team this year, they are sure of a classy bunch.

In Friday's game between the physical geography class vs. the rest of the High school, the Phy. Geo. boys walked away with the game by a score of 11 to 5. There are just nine boys in the class and all play baseball.
