**HAVE TROUBLE OVER INFANT**

**Ten Months Old Child Causes Mixup That Reaches Justice Pennock's Court.**

A peculiar tangle caused by a ten months old baby will be threshed out in Justice Pennock's court tomorrow afternoon when Ida Parker will be tried on a larceny charge preferred by Mrs. Lola Belleu.

It seems that Mrs. Belleu has been taking care of the child while the mother has been working down town during the day time. The other day, they had some differences and Mrs. Parker took her baby and left the Belleu home. Mrs. Belleu wanted to adopt the baby but the mother refused to let her have it.

Yesterday, Mrs. Belleu appeared before Justice Pennock and swore out the complaint charging Ida Parker with the theft of a crib and some infant's clothing which she took away with the child. Mrs. Parker admits taking the crib but says she has witnesses to prove that Mr. Belleu gave it to her. Mr. Belleu is away on a fishing trip, but it is expected that he will return in time for the hearing tomorrow.

Meanwhile, the child is in the keeping of Mrs. Houser of Coquille and it is reported that Mrs. Houser will adopt it. Mrs. Houser is a sister-in-law of Mrs. Belleu.

ALFRED JOHNSON, Sr., of Coquille was in the city yesterday and a guest last evening at the "Smoker" at the Millcoma club in honor of the officers of the "Hazel Dollar". Mr. Johnson has enjoyed a personal and business acquaintance with Mr. Dollar for many years. Mr. Johnson returned to Coquille this afternoon.
