STATEMENT BY GUY STUTSMAN

Editor Times:

With respect to the statement in Thursday's Times, signed by me, I wish to say that when it was brought to me for my signature I overlooked the clauses which said that the athletic rules were very lenient and also vindicated the makers of them of all blame, while I do not attribute the lack of school spirit and other disagreeable features of our athletics to the school faculty, I do not, at the same time think it just to charge it all to a few of our boys.
