REBELS RENEW DEMANDS ON PRESIDENT DIAZ FOR PEACE

Insist Three Cabinet Places and Fourteen Governors Be Given.

DIAZ ONLY OFFERS ONE AND TEN OFFICERS

Answer to Last Request Is Expected Tonight—Rebels Still Looting.

(By Associated Press to Coos Bay Times.)

JUAREZ, Mex., May 16.—Upon the willingness of the Mexican government to grant the Insurrectos permission to name three members of the cabinet and the governors of fourteen of the twenty-seven Mexican states depends the issue of restoring peace in Mexico. This proposition with slight modification of the original demands of the Rebels which called for four portfolios in the cabinet, is the reply made today to the offer of the federal government of one cabinet officer and ten governorships as the price of peace. The answer of the government is expected here tonight. The Rebels want the three most important cabinet positions. The Rebels feel that if granted the portfolios asked for they will soon restore peace and tranquility.

To Declare Armistice. Within twenty-four hours a general armistice throughout Mexico will be declared by the Federal government and the revolutionists. Peace proposals had reached a point at 1:30 o'clock where the acceptance by the revolutionists was only a matter of hours. This information was vouchsafed by one of the Insurrecto chiefs who today received word of the government's proposals. It is rumored the cabinet portfolios of Minister of Justice and Minister of Interior be filed by Insurrectos and that by the compromise, the War portfolio will be filed by a man acceptable to both sides. Fourteen governors probably will be named by Insurrectos.

REBELS ON RAMPAGE.

Mexican Insurrectos On Big Drunk and Frighten Town.

MEXICO CITY, Mex., May 16.—Kicking and pillage at Pachuca during the early hours today followed the surrender of the city to the revolutionists. The Rebels became drunk and defied their commanders. The townspeople in terror barricaded their homes and remained concealed. Banks were dynamited and looted. Pachuca is a mining city of forty thousand population. This forenoon a semblance of order was restored. The town presents a pitiable appearance.

WIFE TO GET HUBBY'S WAGE

Judge Hall Provides That "Bud" King Must Support Wife and Baby.

"Bud" King, who was arrested here Saturday night by Sheriff Gage on a charge of non-support of his wife and child, pleaded guilty when arraigned before Judge John F. Hall. He offered no excuse for his failure to support them and sentence was imposed immediately.

Judge Hall specified that King could either give a bond to pay to the clerk of the court \$20 per month for the next six months to be turned over to King's wife or serve six months in the county jail. If he goes to jail, King can be required to work on the county roads and the pay allowed him turned over to the wife by the county court. The law provides that he may be allowed any sum up to \$1.50 per day.

King is now thinking the matter over. His father lives in the Coquille valley.

Mrs. King is with her parents on Hall's Creek near Coquille.

PROMOTERS GET MILLIONS.

Nearly All Proceeds of United Wireless Stock Gobbled.

NEW YORK, N. Y., May 16.—In the trial of officers of the United Wireless Telegraph Company, charged with misuse of the mails, the government through expert accountant traced the history of 716,534 shares of stock which the defendants are alleged to have issued to themselves.

The Pacific Coast took kindly to the glowing descriptions of what the United Wireless was about to do, John P. Fonsler, an accountant, testified. Investors there, he said, had purchased 82,754 shares of preferred stock for \$1,782,514.

Of this, Colonel Christopher Columbus Wilson, the company's president, received \$1,713,156. Fonsler said, less commissions he paid George H. Parker, a Western sales agent. A. T. Johnson, another accountant, testified that of \$793,275 received from the sale of 89,000 shares of treasury stock, \$690,910 had gone for selling commissions. The net loss on the company's operations of its various stations, he said, was \$176,540 in three years.

FILE MOTION FOR NEW TRIAL

P. A. Sandberg Wants Rehearing of \$10,000 Case Against M. E. Whitmore.

The motion for a new trial in the \$10,000 slander suit of P. A. Sandberg vs. M. E. Whitmore was filed yesterday by Mr. Sandberg's attorneys, Messrs. Selby and Goss. The grounds for a new trial are unbecoming conduct on the part of the defendant's attorneys, it being charged that in their arguments to the jury they made allegations which were not supported by the evidence heard in the case and which were intended to and in reality did bias the jury.

Judge Coke is now in Roseburg so that it is not known when the motion for the new trial will be argued. However, it is expected that it will probably come up at the adjourned term of circuit court in Coquille in June.

STANDARD OIL DECISION FAILS TO CAUSE SLUMP IN STOCKS

OCTOPUS WILL GIVE IN NOW

Announces It Will Comply Law—Much Speculation Over Plans.

(By Associated Press to Coos Bay Times.)

NEW YORK, N. Y., May 16.—The first word came from the Standard Oil Company today on the decision. It makes two points clear: First, there will be no contumacy of the company, as it purposes to obey the decree, and second, that it will be some time before the plans for reorganization will be given out. The company had made no plans in advance of the decision.

Wall street opinion as to how the Standard Oil will meet the wishes of the court is divided. Two plans are heard. One is a division of the present organization into several separate companies, each operating in its own territory. Another suggested the disintegration of the subsidiaries' parent company and the formation of a new corporation which might acquire all the physical property of these subsidiaries and issue new stock. An argument advanced in support of this idea was that such a reorganization would be a single company and not a "combination."

TAFT MESSAGE NOW RECALLED

No Statement Made By President on Standard Oil Decision Today.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., May 16.—While President Taft has made no statement today regarding the Standard Oil cases in which the court set up the doctrine that there might be reasonable and some unreasonable restraints of trade, official Washington recalls an extract from a special message sent to Congress by Taft January 7, 1910, in which, while advocating the Federal incorporation law, he discussed the suggestion that the word "reasonable" be made part of the Sherman anti-trust law and strongly opposed such a proposition. He declared that it was thrusting into the hands of the courts power impossible to exercise on any consistent principle and would give to them the power approaching the arbitrary, the abuse of which might involve the whole judiciary system in disaster.

He called attention in the message to the fact that the Supreme Court had repeatedly refused to read into the statute the word "unreasonable" on the ground that the statute applies to all restraints and is not intended to leave the court any discretion. President Taft went on to say that many people conducting great businesses have hoped that in some way or other the line could be drawn between good and bad trusts. The President says in substance that such a distinction is merely impractical.

OIL STOCKS SLUMP EARLY BUT REGAIN

Railway Stocks and Big Corporations Well Protected In Market.

(By Associated Press to Coos Bay Times.)

NEW YORK, May 16.—The supreme court decision in the Standard Oil cases caused an awakening on the stock market after a long period of inactivity. Prices went upward with a rush at the opening. The gains ranged from large fractions to nearly three points, the market being very active. Standard Oil opened on the curb at 67 1/2, a loss of 4 3-4 points, but a few minutes later had more than recovered the loss, selling at 68.

On the stock exchange there were wide openings in several more active issues. United States Steel opened with sales of fifteen thousand shares at 77 to 78 with a maximum gain, Reading gaining 2, Union Pacific 2, Virginia Carolina Chemical 2 3-4, International Harvester 2 1/2, General Electric and Consolidated Gas 1 1/2, United States Rubber and Lehigh Valley 1 1/2, Southern Pacific 1 1/2, Atchafalaya 1 1-8, and Northern Pacific, Delaware & Hudson and Amalgamated Copper 1.

The market closed firm and from a half to 3 points higher than the final of the previous day.
