Begin Survey.—Inspector L. C. F. Blaz has begun the new survey of the upper harbor for the government. He will have charge of the work until Frank Saunders is able to come.

Mail Earlier.—Beginning tomorrow, the summer mail schedule will be in force. The mail henceforth to leave at 6 a. m. instead of 6:30 p. m. and will reach here late in the evening instead of in the early morning.

Will Contest.—Relatives of the late Levi Gant of Myrtle Point have instituted suit contesting his will. He left an estate of between \$8,000 and \$10,000 to nephews in Myrtle Point and now other relatives declare the will is invalid.

Change Managers.—I. Lando has resumed his former position as manager of the Finnish Cooperative store, succeeding Fred Selander. Mr. Lando was formerly manager of it but later took charge of the Pioneer Grocery which was recently sold to Ivy Condon.

Is Very Ill.—Miss Pressy, the nurse, who has been ill of typhoid fever at the Fred Nelson home for the past four weeks, is reported to be in a rather critical condition. Her brother, Mr. Pressy, formerly man-

ager of the Bandon Creamery but now a rancher near there, is here.

Name Committees.—The Ladies of St. Monica's Catholic church have named the following committees to take charge of the Promenade social which they will give at the Eagle's Hall Friday evening: Floor managers—J. H. Flanagan, Chas. Keane, Jas. Cowan and R. M. Jennings; reception committee—Mrs. F. E. Hague, Mrs. A. H. Powers, Mrs. Elizabeth Adams and Mrs. Hugh McLain.

Change Captains.—Capt. Colstrup has succeeded Capt. Forest in command of the Esther Buhne which is now plying between the Coquille and San Francisco. Capt. Colstrup is well known on the Bay, having spent considerable time here about ten years ago when the Annie E. Smale, the largest vessel ever built on the Bay, was under construction. She carried over 1,000,000 feet of lumber and he was in command of her when she was wrecked on the Alaska coast.

Error Corrected.—Owing to a combined error of printer and proof-reader in omitting an important part of the article on the opening of the Empire Cannery it is reprinted in tonight's paper. The part omitted was the statement made by Mr. Hockett, manager of the cannery, that it is his wish and desire to secure the products from the local fishermen but if Coos Bay fishermen cannot furnish the fish then the cannery will be compelled to bring in Columbia river fishermen to secure the supply necessary for the cannery will be operated and to do so will require fish.

Promenade Social.—The Ladies of St. Monica's church are making arrangements to give a promenade social in Eagle's hall on June 2.
