PIONEER REUNION.

MARSHFIELD will have a celebration on the 4th of July, and it has been suggested that a pioneer reunion would be a good idea. The old-timers would be glad to get together again and talk over the experiences of early days and no more appropriate time for it could be found than on the occasion of the celebration of the national holiday.

THIS LOOKS GOOD.

(From Eugene Guard.)

There is a movement on foot to have a half-holiday when the work of grading the Eugene-Siuslaw railroad begins a week from Monday. It is the idea to have all the business houses close and invite everybody to participate in the inauguration of the most important work the people of Lane county ever undertook.

NEW FASHION ARRIVES HERE

Society Belle Wearing Trousers Skirt, Causes Little Excitement.

Without any undue excitement, the much discussed pantaloen skirt, newly arrived from the East, made its appearance on the streets of Marshfield for the first time this afternoon.

From Myers' Store, where the trousers skirt is on exhibition, one of the prominent society girls of Marshfield promenaded down Market street, thence down Front street to Broadway and Central avenue, and then retracing her steps, walked back towards the store. The only ripple of excitement, and that was of the slightest nature, was noticed when the young lady was about to enter Myers on her return.

Compared to the Harem Skirt, the pantaloen or trousers skirt showed many advantages. It is decidedly more conservative than the unpopular harem, which has been derided in the eastern cities. The adoption of the harem skirt has been branded a setback in fashions, and the trousers skirt is bound to displace the immodest Harem.

Attired in the pantaloen skirt the young lady, who was seen on the main streets of Marshfield this afternoon walked along freely without being impeded in her movements, the skirt allowing freer carriage of the body than does the loose ankle-bound harem and is especially advantageous in windy or rainy weather.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, setting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in their cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

HAS WRITTEN NEW LAW BOOK

Marshfield Attorney Has Compiled Book of Oregon Laws.

Attorney R. O. Graves of this city, has recently completed a book entitled "Oregon Legal Forms with Laws and Citations" in which he has incorporated in plain English the commercial and what for want of a better term might be called the every day law of the state. It embraces the legal forms and methods of procedure in the daily business transactions of the commercial world. The manuscript has been examined by one of the leading publishing houses of the Pacific coast and they were so impressed with it that they made a liberal offer for the publication of it or would place a large order for the books if published elsewhere. A number of leading attorneys have examined it and written strong letters of endorsement of it as an excellent and practical work. The book embracing legal forms, laws and citations is equally useful and necessary to the lawyer as well as the business man altho primarily intended for the general public. As there is no published book at present along these lines, all who have examined the manuscript and are familiar with the field for such a publication are earnest and enthusiastic in its endorsement.

BRIEFS OF BANDON.

News of City-by-the-Sea As Told by The Recorder.

Jason Doak of Radley's mill and Miss Edna Belle Wright of Coquille were united in marriage at Haberia last Sunday, May 21st, by Rev. A. Haberly.

Born—To Mr. and Mrs. Ernest Boak, Tuesday afternoon, a fine baby boy.

W. W. Felter has just completed a fine large barn on his ranch on Two Mile.

TENNIS CLUB FORMED HERE

Organization Effected Last Night and Plans Made for Tourneys.

At a meeting of the local tennis players last evening, an organization was effected and preliminary plans made for holding a number of tournaments here during the season. There was also some talk of organizing an athletic club for supervising tennis and similar sports the year around, arranging for suitable quarters, etc., but nothing definite was done about the latter.

The club has arranged for two courts on the Merchant property in South Marshfield and these will be oiled and put in fine condition. It is understood that Coquille and Bandon will have tennis clubs and possibly North Bend and Myrtle Point and these will be invited to participate in the tourneys and possibly some other outside players.

Officers were elected as follows:
President—John D. Goss.
Vice-president—W. J. Conrad.
Secretary—Frederick W. Payne.
Treasurer—John Motley.
