Success in Housekeeping

Is won in the same manner as success in business or any walk in life. You must know your business—or in other words, you must know how to accomplish the task before you. Good housekeeping consists not only in keeping the house clean and in good order. You must also know how to purchase successfully all things that you use in your home—by successful buying we mean getting value received for every dollar you spend.

We take great pride in the stock of groceries we carry. We know that everything we have is the best of its kind that money can buy. We know that you receive a
