THE COKE RECALL.
PROBABLY, if the recall be invoked against Judge Coke, the matter will go to the supreme court. It ought to.

Then, the issue presented to the higher tribunal will be, why, is the recall invoked in this instance? The reply will be that the recall is invoked because Judge Coke gave certain instructions to the jury in a certain case.

If the court finds the instructions to be correct, what can it do, but declare the recall on Judge Coke unwarranted? If it finds the instructions incorrect, what can it do but declare that under the constitution there is no way but by judicial processes for the error to be righted? In either event, how can the higher court, being guided by the constitution, hold that a judge is recallable for interpreting the law according to his light and his ability?

If the higher court does not take such a view, what day will it be recalled for its interpretation of the law? If it can be recalled on such a pretext, then there is no constitutionally created judiciary with power and authority to administer justice. The effect would be to break down that part of the state constitution which makes the judiciary a coordinate branch of a government consisting of the legislative, executive and judicial departments.

It is impossible under our system to make the people the supreme court. Yet, that is exactly what is being attempted by those who are proposing to invoke the recall on a judge because of his interpretation of the law. The Coke recall will fall because neither the recall nor the constitution ever contemplated that every man in Oregon is a supreme judge.—Portland Journal.

CHURCH WILL INCORPORATE

Emmanuel Episcopal Church Becomes an Organized Parish.

Rev. R. E. Browning returned last evening from Portland where he was in attendance on the Episcopal Convention of the Diocese of Oregon. At this convention which was one of the largest and most successful yet held, the Emmanuel church of this city was admitted into full union with the convention, as an organized parish. Heretofore the status of the congregation has been that of an organized mission, with some minister of the Episcopal church appointed by the bishop to act as missionary or priest-in-charge, with a business committee to look after the temporal affairs of the congregation subject to the approval of the bishop.

With the recent change that was made, the parish becomes self-supporting, and has its own governing body, the wardens and vestrymen. The parish is to be incorporated at once under the title "Emmanuel Parish, Marshfield."
The first visit of the diocesan, the Right Rev. Charles Scadding, D.D., to this newly formed parish will be on Sunday, August 6th, when he will administer the sacred rite of confirmation.

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 369 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eyesight became clear and today I can say I am a well woman, thanks to Foley Kidney Pills." — Red Cross Drug Store.
