The readers of this paper will be pleased to
learn that there is at least one dreaded disease
that science has been able to cure in all its
stages and that is Catarrh. Hall's Catarrh
Cure is the only positive cure now known to
the medical fraternity. Catarrh being a constitu-
tional disease, requires a constitutional
treatment. Hall's Catarrh Cure is taken inter-
nally, acting directly upon the blood and mu-
cous surfaces of the system, thereby destroying
the foundation of the disease, and giving the
patient strength in building up the constitu-
tion and exciting nature in doing its work.
The proprietors have so much faith in its cur-
ative powers that they offer One Hundred Dol-
lars for any case that it fails to cure. Send for
list of testimonials.
