THREE IN BOX IN ONE GAME

North Bend Pitchers Are Easy
For Home Boys—
Score 9 to 7.

With a large crowd of spectators present to witness the game, the Marshfield baseball team yesterday defeated the North Bend nine by a score of 9 to 7.

The game was an exhibition game and the results will have no effect on the standing of the teams in the regular Bay league, the next regular game in which series will take place here next Sunday when Marshfield will play the Sumner team.

Yesterday's game was a good one all the way through and was replete with good individual playing.

Henderson stayed in the box for the home team for the whole nine innings and kept the visitors down to few hits, but North Bend was forced to throw out two pitchers before they could locate a man who could not be found at will by the home batters?

Matson, McKeown and Burke, of the Marshfield team each hit for two bags during the game and Hennessey, the home catcher got 3 hits and 2 walks out of five times up. Matson and Cowan each singled and Langworthy did the same thing on two separate occasions. For North Bend, Velda and Wallace each secured a hit while Hull beat out one two bagger. Three double plays were recorded for Marshfield and two for North Bend.

The line up was:

Marshfield	North Bend.
Henderson p.	Thomas Hull & Parton
Hennessey c.	J. Wallace
McKeown 1st	Lillabo
Langworthy 2nd	Hull
Burke s. s.	Pigeon
Johnson 3rd	Velda
Cowan 1 f	Peek
P. Johnson c f	Summerlin
Matson r f	Velda

Railroad Is Here—Becoming impatient over the delayed arrival of a railroad at Coos Bay, F. B. Tichonov of Portland, one of the best boosters the Coos Bay country ever had, built one of his own in the Chamber of Commerce window. He planted trees in profusion for a back ground, put down the ties for the entire railroad system, and would have laid the rails had he not run out of steel. The exhibit is an attractive one and is attracting a great deal of comment.
