The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### MOSQUITOES BAD THIS YEAR

But don't scratch the poisoned skin.  
Use a mild, cooling, healing compound that stops the itch instantly, draws out the poison in the skin and protects it against further trouble. Just a mild cleansing wash of oil of wintergreen, thymol and a few other ingredients known as the D. D. D. Prescription (so famous in cases of Eczema) and you have mosquito protection for the season.  
Yes, instant relief—now only 25c.—Red Cross Drug Store.

### PADDOCKS ARE ALMOST EMPTY

Visiting Stables Have All Left For Home Pastures.

With the exception of the horses owned by local stables, all the racers who took part in the recent meet here, have been taken away by their owners.

M. H. Nay has taken "Teddy" and "Charlie Foster" over to his place on Kentucky Inlet with the intentions of putting them out to grass.

John Yoakum has sent "Greenlaw" to his place on the Coquille; J. L. Knight has taken his horse to Myrtle Point and E. G. Allen has taken his stable home to Bridge.

An addition to the Nay stable was made while its owner was here for the races. He purchased "Billie Murray" from F. P. Norton and took the horse with him to Port Orford.

F. P. Norton announced this morning that he will keep the pacer "Marin" and "King Dixon", a two-year-old trotter, out at the race track here until August, when he will prepare them to meet their engagements in the Willamette Valley circuit meets.

From word dropped here by Mr. Allen of Briggs, it is believed that a race meet will be held in Bridge next month.

The Gleaner arrived this morning with a fair cargo of freight. She will take back a cargo of furniture for Joe Schilling's new hotel at Gardiner.
