

GOOD LIGHT BROUGHT 40 PER CENT MORE TRADE

This exhibit comes from a large meat market and grocery in Oklahoma City—that of the Yearout Market:

"After adopting the Tungsten lamp for my store, displacing gasoline, and arranged according to the lighting company's plans, my business has increased 40 per cent.

"I attribute this entirely to the improved illumination, which made the store more attractive and brought out the quality of the goods handled by us. These goods were not shown to proper advantage under inferior illumination.

(Signed) N. R. Yearout."

BORN.

CROSEN—To Mr. and Mrs. M. S. Crossen, Wednesday, July 12, at their home in South Marshfield, a girl. Mother and child are doing well.

Quiet Wedding.—Lewis St. Dennis and Miss Florence Ruth of North Inlet were quietly married by Judge Hall at his office Wednesday morning at 11 o'clock.

Young People Meeting.—The Baptist Young People's Union will hold their regular monthly business meeting at the Baptist church, Friday evening at 8 o'clock. All members are requested to be present.

Annual Excursion.—The Epworth

league of the Methodist church held a business meeting at the church last evening and decided to hold their annual picnic at Charleston Bay on Wednesday, July 19.

Miss Taylor Resigns.—Miss Sylvia Taylor, who has been employed in the office of the O'Kelly Launch Company for some time past, resigned her position yesterday to work in the Snyder hotel. No one has succeeded her yet and as a consequence Mr. O'Kelly is "dotted" up and passing out tickets and candy in the office and store.

Back From Curry County.—Claude Nasburg and Russ Tower returned via the coast route from Curry county last evening. The auto in which they made the trip broke down near the Preuss ranch and another machine brought them home. The Portland parties who accompanied them returned to their home by another route after looking over the real estate conditions in this section.

Sprain Wrists.—Gordon Rasmussen while pitching hay at his grandfather's ranch on Larsen's Inlet, sprained his right wrist which necessitated his coming to town for medical treatment. A nephew of Albert Colver of Catching Inlet received the same injury from the same cause at the same time and the accidents will probably cause two vacancies in the ranks of local baseball players.

Ask Injunction.—Judge Coke heard today the argument in the application for a temporary injunction filed by property owners in Myrtle Point against the city and J. J. Burns, contractor to enjoy the grading of certain streets. The attorneys for the plaintiffs were C. B. Selby and J. O. Stenler. The city attorney of Myrtle Point, L. A. Roberts. The city did not resist the application.

To Form Association.—The graduates of the four year course of the Marshfield high school will meet next Friday evening at the home of Miss Marjorie Cowan to effect an organization. Those entitled to belong to this society are, Miss Marjorie Cowan, Miss Bessie Coke, Miss Signa Holm, Miss Alpha Mauzey, Miss Nellie Tribbey, Miss Alice Curtis, Miss Belva Flanagan, Miss Mary Hansen, Eric Bolt, John Ferguson, Joe Bennett.

Mayfield Located.—E. J. Mayfield has written to friends in Marshfield that he is pleasantly located in Oakland, California, and that he and Mrs. Mayfield and the baby are enjoying the best of health. He says concerning the situation in the Bay City that "things are rather quiet along most lines here, and most people are of the opinion that it's the non-decision of the "Exposition site" that is causing a delay in construction in general, for as soon as same is decided upon the business will take an entirely new turn."

C. E. POWERS of the Marshfield Grocery, is confined to his bed with an attack of inflammatory rheumatism. Eric Bolt is in charge of the store during his illness.

FOR SALE—Best paying business in Marshfield \$1,000 swings it, sure big thing. Apply to "Johnny" care of Times.
