

GOOD LIGHT BROUGHT 40 PER CENT MORE TRADE

This exhibit comes from a large meat market and grocery in Oklahoma City—that of the Yearout Market:

"After adopting the Tungsten lamp for my store, displacing gasoline, and arranged according to the lighting company's plans, my business has increased 40 per cent.

"I attribute this entirely to the improved illumination, which made the store more attractive and brought out the quality of the goods handled by us. These goods were not shown to proper advantage under inferior illumination.

(Signed) N. R. Yearout."
