HENDERSON IS PERSISTENT

Youngster Who Fights Here Next Month Is Total Abstainer.

"Young" Henderson, who fights "Rough House" Burns in this city August 12, under the auspices of the Bell Cord Athletic Club, with Jack Herron as the biggest noise, is at present in the county, having arrived some time ago. Henderson has made a deep impression on everyone who has met him. He is just as clean and

OAKLAND PLAY MYRTLE POINT

Team From Interior With a Reputation, to Invade Coos Co.

It was learned today that the Oakland, Oregon, baseball team has made arrangements for playing a couple of games with the Myrtle Point team the latter part of this month. It is thought that the aggregation of sluggers and pill twisters will also invade Marshfield at that time. The manager of the team recently wrote Captain Langworthy and asked for a couple games here the last of the present month. An answer was sent but up to date no reply has been received.

From reports the Oakland team is a fast one and should give the local aggregation a good run for their money. At any rate their reputation should serve as an incentive for the fans to flock out in large bunches to witness the games. It is possible that a game will be played with Oakland in this city on July 30.

exactness about his diet and habits as is Freddie Welsh. Henderson has never smoked, or taken a drink in his life, and further more has no intentions of so doing.

The reason for his golden rule is evident. He is after the top rung of the lightweight ladder, and if hard work and clean habits combined with a good fighting head and a strong body can put him there we are very apt to hear of "Young" Henderson connecting with "Ad" or "Packy" one of those bright Summer days, or as Rowman would say, "in the Spring time".
