lous position.

A ROSEBURG ROW.

Recent developments in the proposed recall of Judge Coke indicate very clearly to the average mind that KELLIVERING the whole affair is a masty personal and political row on between conending elements in Roseburg and a trouble from which the voters throughout the rest of the judicial district should wash their hands. Already Judge Hamilton has begun suit against one J. O. Drake on a libel charge in connection with the Coke affair.

Lane county has paid very little attention to the proposed recall of and Mrs. Al Creason who were injur-Judge Coke, and so far as we are able to learn no recall petitions are

### THE OPINION OF AN ADVERTISING EXPERT

(Fred J. Runde, in "Signs of the Times")

"The lighted electric bulb is today one of the greatest advertising mediums in existence.

"The growing use that this medium has been put to in recent years is phenomenal.

"The electric bulb is the only medium today that can actually talk to us, and that can readily give us action in our ads."
