**GOLD BEACH GLEANINGS.**

**Nuggets of News From the Columns of The Globe.**

Alf Gauntlett cleared the ground last week preparatory of laying the foundation for the addition to his hotel annex.

The work on the new addition on the Gold Beach hotel commenced yesterday morning in dead earnest with J. R. Browning as head of a competent carpenter's crew.

E. M. Bogardus has quit the river improvement crew and joined the Forester's crew which is building a trail from Agness to Lake in the Woods and from there to Illabe and one from Illabe to Rock Creek.

The recent foundation for the new school house was completed last week and the erection of the building will commence as soon as the lumber, which is all cut, can be put on the ground.

Paul Johnson, the expert of the Idaho Black Sand company, returned on the Randolph last week, direct from San Pedro where he has been visiting his invalid wife. Mr. Johnson says work on the beach will be resumed at once.

After a three years absence Stanley Fry well-known in these parts,

was shaking hands with his many friends here last Sunday. Since leaving here Mr. Fry has resided in Salem where his family still remains. He is seriously thinking of coming back here to make his future home.

Mr. Stiles and wife passed thru here a few days ago in an auto en route to Los Angeles. Mr. Stiles is ex-chief engineer of the battleship "Wisconsin" and was with the American fleet on its famous tour of the world. He is now on the retired list, and is taking life easy.

On July 7th, a terrible misfortune overtook Mr. Joseph Hillbridge, a gentleman seeking a home in Curry. In turning out of the road preparatory of camping for the night, his wagon containing his wife and three children was upset and his bright little boy of 13 months instantly killed. The accident happened near McVay's dairy ranch in the Chetco valley.

Talking about visiting and company the other day, some ladies told of another lady who said when she went away visiting she noticed that the family she visited always put on their finest china for the table. She remained a few days and when she saw them go back to their common china then she knew it was time for her to go and she went.

### MARSHFIELD 4; EASTSIDE 2

That Tells the Story of One of the Best Ball Games of the Season.

In one of the prettiest and cleanest games of the season, the Marshfield boomers bested the Eastside boosters at the depot grounds yesterday by a score of 4 to 2. Norm Johnson once more proved himself an artist with the pill by striking out 13, which proved to be an unlucky number for the Eastsiders and of the five hits made off him three were secured in the first inning before he settled down to a steady swing that baffled the Eastside batters. Nearly all the errors and the little ragged playing, and it was very little, all took place in the first inning. From then on it was a fast game with good work on both sides but the Marshfield boomers had the best of it in the pitchers' box and its slab artists proved superior to the Boosters from across the bay.

With uniformly good team work, there was not much feature playing. Johnson's execution in the pitcher's box, Geo. Johnson's fielding and the stick work of Del Hennessy and Mike Burke added to the excellence of the game.

The attendance was not what the game merited for the score tells only partly of the quality ball which the boys played. A few more games of the same calibre and the grounds should show some of the old time crowds and enthusiasm.

The following is the official score:
