BRIEFS OF BANDON

CATCHING INLET ITEMS.

(Special to The Times.)
We are very sorry to report that Mrs. C. H. Jackson is not as well as usual.

Mr. and Mrs. B. D. Wallace and son, Earl, were in Marshfield Wednesday.

Allen Jackson, who left for Roseburg some time ago, returned recently and reports his uncle's condition much improved.

Carl Hollenbeck and family, who have been visiting the last three weeks at Gravel Ford, Myrtle Point and Bandon, returned home Wednesday.

Mr. and Mrs. B. F. Ross, Mr. John Bonebrake and son Ross arrived from Marshfield yesterday where they had been called Saturday on account of Mr. Rig's illness.

Tuesday Mesdames John Hall, Wm. Curtis, J. Lando, J. Lee Brown, Wm. Duebner, Miss Frances Franse and Mrs. Wheat drove from Marshfield and made Mrs. C. H. Jackson happy by the beautiful bouquets of flowers presented and a few hours of sociability.

Our Sabbath school is not flourishing as we would like to have it. If our young people would only come and assist and the parents were more interested in their welfare hereafter everything would be so much more encouraging for our faithful superintendent who tries so hard to have it otherwise.

The Christian Endeavor gave a farewell party Wednesday night at the Catching Inlet schoolhouse for Rev. Staines and family who will leave Saturday for Dayton, Ohio, where Rev. Staines will take a three years course in a theological seminary. Mrs. George Ross addressed the audience. Mrs. Fred Messerly presided at the organ. Three songs were sung, "Will There Be Any Stars," "Near the Cross" and "God Be With You." Mr. T. M. Collier was called upon to make some remarks, and we should judge he was hungry for the first thing he said was "The way to a man's heart is through his stomach." Then he suggested playing leap frog but no one was found who would leap. When the last song was sung, Rev. Staines spoke words of encouragement to the Endeavor. All were sorry at the parting for Rev. Staines and Mrs. Staines have endeared themselves to the community.

HITCH WHALES TO SHIP.

Capt. Jones of Anvil Has Scheme to Increase Speed by Harnessing Big Fellows.

Capt. Maegen of the Breakwater is to have his supremacy as master of the ocean greyhound contested by Capt. Jones of the Anvil as soon as he can put into effect a new idea he has for making his boat the fastest on the Pacific coast.

"While the Anvil is speedy," declared Captain Jones, "I have a plan on foot looking to the driving of her along at a far more rapid pace. Between Cape Lookout and Cascade Heads the sea is covered with whales. I never saw them so thick as they are this season. They are feeding on schools of fish and are so tame that they come up close to a vessel, making their capture an easy matter.

"Now, my scheme is to capture a couple of these powerful chaps and break them to drive in harness. After training them for a month I warrant that I could hitch them to the Anvil."

HIGH SOCIETY SHOCKED

Artist Trumbull Weds Second Time Before Legally Divorced

(By Associated Press to the Coos Bay Times.)
NEW YORK, Aug. 23—Brooklyn society people have received cards recalling the wedding announcement of Miss Katherine Dreier and Edward Trumbull, the mural artist who married August 8. Miss Dreier's lawyers now explain that Trumbull though believing his first marriage had been set aside, is not legally free.

NOTICE TO SUBSCRIBERS.

Times subscribers who do not receive their papers regularly are requested to notify the Times office of any irregularity in delivery. This is the only means The Times has of knowing when subscribers miss their papers, and consequently the only means of remedying the trouble.

News of the City-by-the-sea as Told by the Recorder

On Tuesday, at Brady's camp, a few miles below town, the seven year old son of J. A. Foster, fell on an ax he was carrying, cutting his wrist badly.

Prof. H. C. Osteln, wife and son Tom, left yesterday on the Anvil for Monmouth, Ore., where Prof. Osteln has been elected to the chair of mathematics in the Monmouth State Normal School.

Frederick Hall Mason, infant son of Mr. and Mrs. F. H. Mason of this city died at their home Wednesday morning. Short funeral services were held at the cemetery yesterday afternoon, Rev. H. C. Hartranft officiating.

Nosler & Norton, wholesale and commission merchants, of Coquille, have bought the warehouse business of the Bandon Warehouse Co., formerly operated by the A. F. Estabrook Co., and will conduct the same from this time on. Mr. Norton will make his headquarters in Bandon and will have charge of this end of the business, and Mr. Schetter who has been in charge of the Bandon Warehouse Co., will still be associated with the new company in the same capacity.

AWAY TO SCHOOL

Austin Hazard, the young son of L. H. Hazard, left Tuesday morning for San Rafael, California, where he will attend the Mount Tamalpais Military Academy during the fall term.—Coquille Sentinel.

PLAN NEW BUILDING

The Coquille Valley Creamery Company have opened negotiations for the purchase of a lot in the main business center of town where it is understood that they will erect a building and equip it with all modern machinery necessary to the management of a first-class creamery. J. A. Miller, secretary of the company states that in all probability work will commence at once on the new building although business will be carried on at the old stand until spring.—Coquille Sentinel.

COMING TO COOS COUNTY

Shiller Hermann and wife of Portland passed through Roseburg this morning, en route to Marshfield, where they will spend a couple of weeks visiting with friends. Mr. Hermann is a son of Hon. Binger Hermann of Roseburg.—Roseburg News.

WAS HE LONDON?

Bandon Fears That Noted Visitor Was an Impostor.

The Bandon Recorder says: "Jack London, author, newspaper man and politician, was supposed to have taken a trip along the Oregon coast, and was supposed to have been at Bandon from August 1st to 3rd; at the same time a man, supposed to be the only and original Jack London, was supposed to have been at Crescent Lake, Washington, catching Beardslee trout with a diamond shirt stud for bait. Now, if anyone can tell who is the real Jack London let him rise up and speak, for people along the coast are very curious to know who is the real and who is the impostor.

"Jack London, or the man representing himself as Jack, left here August 3rd and on the 5th he was supposed to have been at Lake Crescent, Wash., and had fished there for several days. Now, if he was really at both places, he certainly had to go some to get to Lake Crescent. So who can solve the mystery?"

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength in building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
