## Canning Spices

The pure food laws have largely stopped the sale of adulterated spices, but such laws can never stop the sale of poor goods. An apple is a pure apple even if it is a gnarly, though, shrunken and tasteless one. This is the same with spices; the most inferior specimens will pass inspection so long as not adulterated. What you want is carefully selected, full flavored spices—the best there is. We have Squibb's pure spices and they cost you no more than the inferior grades are commonly sold for.

**Locates Here.**—Dr. E. F. Winkler, naturopath and chiropractor, arrived here from Portland on the last Breakwater and has opened office rooms in the Sengstacken building, opposite The Times office. He is very much pleased with this section and its prospects.

**Try to Settle.**—Fred Muetzel came in from Ten Mile this morning to try and amicably adjust the differences with his wife. They have appealed to Sheriff Gage, Justice Pennock and Judge Hall and a separation may end the stormy experiences of the couple.

**Make a Hit.**—The Clarke Comedy Company played before a good house in North Bend last night and gave excellent satisfaction. They are pronounced one of the best theatrical companies appearing on Coos Bay in some time. They appear at the Royal theatre in this city Saturday and Sunday nights.

**Dance Tonight.**—The Promenade to be given by the young ladies of the Marshfield Episcopal church at the Eagles Hall tonight promises to draw one of the largest crowds of the season. The hall has been attractively decorated and an unusually good time is anticipated.

**Oil Rumor.**—Another rumor was afloat here today that oil had been struck on Bear Creek where Bandon parties are sinking a well. The rumor was not given credence as last Sunday, Driller Smith stated that they would have to go about 200 feet more. The well was then down a little over 1,200 feet.

**Leave September 20.**—The Blitmore Forestry school students, who have been pursuing their practical course in the woods near here, expect to leave September 20. **To Myrtle Point.**—A large delegation of North Bend and Marshfield members of the Eastern Star left this morning to attend the Coos county convention of the order which will commemorate the Eastern Star Natal Day. Among the officers of Doric Chapter going were Mrs. Francis McLeod, F. E. Allen and Mrs. Ora McCarty.

**Case Dismissed.**—Owing to an error in the transcript filed appealing from the Curry county board of equalization's assessment of the big timber land holdings there, Judge Coke this week dismissed the appeal. No further legal action will probably now be taken by the C. A. Smith company and other companies appealing from the assessment.

**May Continue Lights.**—The special fund for payment of the string of electric lights on Marshfield streets having been exhausted a paper is now being circulated for pledge of \$1 per month for their continuance each Saturday evening. The lights have proven very attractive and it is thought there will be no difficulty in getting the required number of signatures.

**Change Social Dates.**—Owing to a conflict in dates for some of the social events scheduled for next week, the ladies have changed the invitations issued. Mrs. Wm. Horsfall Jr., has changed her bridge party to Wednesday afternoon and Mrs. D. Y. Stafford has changed hers to Friday and Saturday afternoon. Mrs. R. T.
