## BOXING BOUTS TO BE CLEVER

Manager John Herron Completes Arrangements For Contests Saturday Night.

Promoter John Herron has everything completed for his next boxing bout which comes up next Saturday night in the Skating Rink. Both Burns and Evans are in the pink of condition and both boys will be ready to put up the best bout of their career. This bout is attracting considerable attention, the winner to meet Earl Henderson here October 14. Mr. Herron expects a banner house Saturday night and as both boys are in the condition of their lives and both of them have forfeits up for might and appearance and for once Mr. Herron will see that everything starts on time.

Ben Gillen will meet Earl Henderson in the sixth special event. Henderson will be remembered for the wonderful bout he put up with Charlie Burns here last month. In Gillen he will meet a boy who is fast and clever and who has had a world of experience having boxed such boys as Bud Anderson and Bobby Evans and others too numerous to mention. This bout alone should be worth the price of admission and is attracting as much attention as the main event.

Kid Perry of Oakland, who is acting as Burns' sparring partner and who has met some of the best four-round boys in San Francisco, will meet Billy Wilson, the clever local boy in a 5-round preliminary.
