

Your Fall Clothes Are Ready For You Now

They are ready for you to put on and wear right out of the store. You will find, too, that they will fit you as if made for you.

You can see just what you are getting, satisfy yourself that they fit and look all right, and be well dressed without annoying delay.

You can be sure, too, that they are all-wool, will hold their shape and snappy appearance and give you good service right up to the last day you wear them.

On these points the Clothcraft guaranty is your protection against disappointment. It's given with every Clothcraft suit or overcoat and we back it up with our own.

This insured clothing will cost you—guaranty and all—only \$15.00, \$20.00 and \$25.00.

We have the Clothcraft Blue Serge Special No 4130 at \$18.50 advertised in The Saturday Evening Post.
