Some boilers for the new steam schooner which the Simpson Lumber company is building here have arrived. A Great Advantage to Working Men

J. A. Maple, 125 S. 7th St., Steubenville, O., says: "For years I suffered from weak kidneys and a severe bladder trouble. I learned of Foley Kidney Pills and their wonderful cures so I began taking them and sure enough I had as good results as any I heard about. My backache left me and to one of my business expressions, that alone is a great advantage. My kidneys acted free and normal, and that saved me a lot of misery. It is now a pleasure to work where it used to be a misery. For Sale at Red Cross Drug Store."

PASTORS ARE SORE ON ACT

Buckeye Powder Company of Ohio Wants Big Sum From Powder Trust.

(By Associated Press to Coos Bay Times)

OTTAWA, Kan., Sept. 19.—When President Taft visits this city next week, seven pastors of the Ottawa churches will make a personal appeal regarding the positions of Secretary of Agriculture Wilson and Secretary of State Knox on the International Brewers Congress to be held in Chicago next month. The seven pastors came to that conclusion today. They wrote letters today to the President charging that he allowed Knox to write letters to the foreign countries giving official endorsement to the congress.

BELLE N. IS GIVEN MONEY

F. P. Norton's Horse Awarded Race As Result of Clash at Salem Race.

A Salem dispatch gives the following particulars of the big race which F. P. Norton's Belle N took part at Salem Saturday:

"Evidence of fraud in one race and alleged jugglery in another caused some disappointment to the crowd at the State Fair races Saturday.

The free-for-all trot for a \$1,000 purse simmered down to a walkover for Belle N, with Dowling up, after claims of a "job" had been registered by McGuire. McGuire had his Daybreak entered, who looked like cinch money, and evidently the horsemen thought so. McGuire was approached with the tidings that the race was called off, and on the strength of the horsemen's representations put his Daybreak on the car ready to start for California.

"Suddenly in the afternoon, with Daybreak tucked snugly in the car, the horsemen had a change of heart and announced they would take the trot for the purse.

"President Booth and the judges objected and Dowling was allowed to take a walkover with Belle N, for the mile, which she stepped in 3:03 1/4, and took his own and half the balance of the entrance money.

"There was little excitement in the harness races of the day. The track was heavier than ever and everything went in straight heats. Maurice S. Duncan's bay gelding had easy money all the way through in the 2:15 pace and was so far ahead in each heat that he turned in his sulky at the stretch and watched the balance of the field go out for the rest of the money. In this race Mack N was distanced in the first heat.

Saw Comet.—Dr. Vaughan while hunting in the Blue Ridge Mountains Sunday morning saw a comet that he thought was going to strike in the canyon near him. It was about 6 o'clock in the morning when he noticed a large star approaching the earth at a terrific speed. When it appeared about a third as large as the moon, its course suddenly changed and it passed over leaving a long white trail. He says that peculiar whizzing noise of a body rapidly passing through the air could be heard. Dr. Vaughan got a nice buck.
