LOCAL NOTES

THE WEATHER.

(By Associated Press.)
OREGON, Oct. 5.—Fair in east and rain and warmer in west tonight. Friday, rain.

Services Tonight.—A Union prayer meeting will be held at the Marshfield Presbyterian church this evening.

Decorates Store.—Thayer Grimes is having the interior of The Toggery newly papered and decorated, adding greatly to the attractiveness of the store.

Plan Picnic.—The Marshfield high school students are arranging for a big picnic next Saturday. While the place has not been definitely decided upon, it will probably be Charleston Bay.

Leg Broken.—An Italian workman in the South Inlet camp of the Smith-Powers Logging company sustained a broken leg in an accident yesterday and was brought to Mercy hospital for treatment.

Are Recovering.—Geo. Hansen, A. Christian and Frank Ward who are at Mercy hospital, are reported getting along fine. Mr. Hansen still suffers from the paralysis due to apoplexy but he may recover.

Minus Gasoline.—Dr. Geo E. Dix this morning had to walk in from Bay Park about 2 o'clock. He was called out there and went out in his auto. He ran out of gasoline and he had to abandon his auto and walk to town.

Home Quarantined.—Emily Tiedgen, the little daughter of Superintendent and Mrs. Tiedgen was quarantined for scarlet fever yesterday. Mr. Tiedgen has secured quarters elsewhere so that his school duties will not be interfered with.

Meet Friday.—L. W. Traver and Dan Keating of the Marshfield Fire Department, the members of the fire and water committee of the city council and City Attorney Goss will meet Friday evening to draft an ordinance regulating the storage of gasoline in the city.

Changes Management.—G. W. Gale and wife, who recently came here from Medford, have purchased the rooming house which Mrs. J.

Forwood has been conducting in the Johnson building on Third street, near Central avenue. Mrs. Forwood will leave shortly for her former home at Sumpter, Ore.

Dredge Pumping.—The dredge Oregon about 3 o'clock yesterday afternoon started widening the channel opposite the Cold Storage. This end of the bulkhead has been practically completed, only a few more plank remaining to be put on top. Mr. Noble, who has charge of putting in the bulkhead plans to push the extension of it northward as rapidly as possible.

For Basketball.—A meeting of the Coos county High school athletic board will be held in Coquille Saturday and will be attended by Chauncey Clarke, Prof. Grannis and Superintendent Tiedgen. Besides discussing high school athletics in general, it is expected that a baseball schedule will be arranged and also arrangements made for the high school field meet next spring.

Mong in Portland.—Wm. V. Mong, an actor well-known to Coos Bay theatre-goers is appearing in Portland this week in another of Cohan's dramatic successes entitled "The House Next Door." The Journal says of Mr. Mong's part in the play: "William V. Mong, an actor of intellect and finesse, as the irascible old nobleman gives a masterly portrayal of the character made famous by that distinguished artist, J. E. Dodson."

Wed Yesterday.—Wednesday was the wedding day of C. F. McKnight and Miss Spangler at Corvallis, Ore. After a short honeymoon trip, Mr. and Mrs. McKnight will come to Marshfield. They will reside in the C. A. Metlin residence in South Marshfield. The date of their arrival here is not known definitely but they will be given a hearty reception by their many friends on the Bay.

Visit Old Friends.—Dr. Tower takes exception to the report that he is going to Seattle. He says Astoria is his destination and the principal object of his trip is to have a talk-feast with Dr. Jay Tuttle. Fifty years ago he and Dr. Tuttle were studying Latin and Greek together preparing for Harvard college. During the last fifty years they have been intimate friends, and every fifty years or so they have agreed to have a grand talk-feast. Dr. Tuttle was a resident of Coos Bay once, having served as sheriff here once.

Eagles Enjoy Evening.—Last evening, the Marshfield Aerie of Eagles held a very enjoyable banquet and smoker in their hall on South Second street. The object was to inaugurate a membership contest with a view to increasing the membership of the local Aerie to 400 by January 1. A \$50 gold watch is to be given the member securing the most new members and other prizes are to be given others securing the second and third largest numbers. Next Wednesday evening, the Eagles will enjoy another smoker and banquet.

Luggage Found.—Sometime ago, John Jansen and a companion began suit against the steamship Alliance to recover for luggage which they claim was lost. They wanted about \$90 apiece because the company could not deliver luggage that the checks called for. Today, it was discovered that the luggage had been taken from the Alliance warehouse and left on the dock near D. Ferguson's warehouse. He found it outside and put in his office for safe-keeping until the owner should call for it. Today he turned it over to Agent McGeorge and the proceedings in Justice Pennock's court were dismissed. How the luggage got off the Alliance warehouse is a question that is now puzzling the officers.

"The Men We Love and the Men We Marry"

Is the title of an article in a late issue of a popular ladies' periodical. The ladies are generally agreed that if they get a chance to feed him well they could marry any man. One of the first and finest things of any meal is the soup or Bouillon. The best of these is

LIEBIG'S BOUILLON CUBES
Squares of Delicious Concentrated Bouillon
One cube. A cup of boiling water. Drop the cube in and stir. The result is bouillon that no chef in the world can surpass. And you can get these cubes at 10c and 25c per tin. A trial will convince you of their merits.

FOUND SOMETHING BETTER.

Don't be misled by inferior grades of aluminum ware because the price is cheaper, for any good judge of aluminum ware knows that there is only one make of aluminum that is standard and that is the WEAR-EVER aluminum ware. Look for the stamp on each article. WEAR-EVER cooking utensils have been giving such good results that dozens of other brands are trying to get a foothold on the market by trying to make you believe they are as good as an article as the WEAR-EVER at a lower price. Remember the secret process of manufacturing quality aluminum ware is controlled by the WEAR-EVER Aluminum Cooking Utensil Company. Buy no other and you will always be satisfied. We carry a complete line in stock, and are the only ones that sell the WEAR-EVER aluminum cooking utensils in this city. — Pioneer Hardware Company.

NOTICE TO PUBLIC.

Through a jealous competitor invoking technical construction of a Marshfield city ordinance on me, I will have to discontinue giving away prizes at The Royal theatre. However, I am going to remain in the show business in Marshfield and will make a success of it if giving the most possible high class entertainment for the money will enable me to do it. G. J. LEMANSKI, Prop. Royal Theatre.

DEPENDABLE DRUGS
If you wanted to buy oak lumber and the man delivered yellow pine—you would know the difference.
If you wanted to buy silk and they sent you calico, you would have no trouble in seeing the substitution.
It is not so easy however with medicine. A great many medicines look alike and taste alike, but they don't act alike. Just think this over the next time you want medicines.
Remember that at our store you can absolutely rely on every drug we sell.
The difference between buying medicines and merchandise is the difference between knowledge and belief. You know the one, but you have to believe in the other. You will be absolutely safe when you put your belief in us.
