Send One Full Coupon, (or 2 half Coupons) and 10c for One Spoon—6 Coupons and 48c for Six Spoons.

Bradley Candy Co.
Marshfield formerly The Modern Company.

KEEPING CLEAN THE ELECTRIC WAY is far cheaper than most people know. It costs only a trifle more to operate the motor of a vacuum cleaner than it does to operate a 16-candlepower carbon lamp. The cleaning is done so quickly that the cost of electric current is a factor hardly worth considering. Manufacturers now make many kinds and styles of sanitary cleaning devices. Prices of the cleaners are being reduced and the time has come when no home, hotel or public building is really modern unless it is equipped with vacuum cleaners. Our New Business Department is well informed on the subject and will give you the information you need to make a proper and economical selection.

D. L. FOOTE, Proprietor.

SCHOOL NOTES

LONGEST WORD.
"What is the longest word in the English language?" asked Uncle Tom. "Valetudinarianism, I suppose," replied James, who had taken a prize in spelling.
"No," spoke up Susie; "it's 'smiles,' because there is a whole mile between the first and last letters."
"I know one," said Jack, "that has over three miles between its first and last letters."
"What word is that?" asked Uncle Tom.
"Beleaguered," cried Jack triumphantly.
"I know one," said Phillip, "that is longer than that. 'Trans-continental' has a whole continent between its beginning and ending."
"Inter-oceanic beats them all," exclaimed Elsie, "for it contains an ocean; and an ocean is larger than any continent."

EIGHTH GRADE.
Adelaide Clarke returned to school Monday after an absence of two weeks on account of illness.
Miss Wilda Harris of Sumner, who has been attending school here, was called to her home the first of the week on account of illness in the family.
Tom and Alice Walters of the "B" division have moved with their parents to North Bend.
The pupils of the "B" division gave a class party last night.
Tests in the Eighth grade were given this week in history over the constitution. The pupils getting the highest grades in this work in the "A" division were Herbert Bradley, Dorothy Horton, Anna Russell and Lydia Holm. Of the "B" division Glenn Rahskopf, Nellie Warwick, Isabelle Ferguson, Evelyn Flanagan and Grace Williams received the highest grades.

Sixth and Seventh Grades.
The pupils of the Seventh grade have taken up the study of interest. High standings were made in arithmetic this month in the Seventh grade by Wesley Seaman, Edgar Cason, Lawrence Horton and Veri Johnson; in the Sixth grade by Ruby Cooley, Arvin Tuttle and Ted Dow.
Those standing above 90 in spelling in Seventh grade were Carl Sanquist, Ray Lee, Howard Kelley, Lois Johnson, Irmond Carlson, Ruth Cowan, Mary Holland, Helen Dow, Myrtle Nelson and Wesley Seaman.
In drawing, Helen Dow, Zoe Dolan, Lawrence Horton, Lois Johnson of the Seventh grade and Myrl Cox, Eddie Ellerbeck and Madge Yarbrough have done very good water color work copying fuchsias.
Rhetoricals were held in these grades Friday afternoon. The program was as follows:
Recitation, "The Harp"—Bessie Sanquist.
Recitation, "An Autumn Memory"—Myrtle Isaacson.
Recitation "United at Last"—Ruby Pitman.
Recitation, "A Picture"—Lois Johnson.
Recitation, "A Picture"—Lois Johnson.
Recitation, "A Little Light"—Ruby Cooley.
Duet, "Down by the old Mill"—Myrl Cox and Zoe Dolan.
Recitation, "What to Live For"—Ethel Haynes.
Recitation, "Afternoon in February"—Norman Wilson.
Other recitations were also given by Albert Powers, Arvin Tuttle, Myrtle Nelson, Guy Clausen, Ruth Cowan and Edgar Cason.
In reading the Seventh grade pupils have been studying the story of William Tell. As part of the program this selection was dramatized and the cast of characters presenting it was as follows:
Wm. Tell Wesley Seaman
Gesler Laurence Horton
Verner Harvey Walter
Albert Howard Kelley
Soldiers—Edgar Cason, Veri Johnson, Ted Dow, Arvin Tuttle, Carl Sanquist and Irmond Carlson.
Fourth and Fifth Grades.
Martha Sprague entered the Fifth grade this week.
The pupils of the Fifth grade next week begin work on relief maps of South America.
The Fourth grade class have begun the study of Long Division.
The pupils of the lower grade are keeping charts of weather observations made by them, as part of their work in nature study.
The Fifth grade pupils are studying the "Hiawatha" in reading. After having finished the study of this selection they are to dramatize it.
Good work in water color is being done by Violet Micklen, Marjory Drews, Esmond Lakin, Ernest Hagquist, Francis Lang of the Fourth grade, Hannah Fitzgerald, Kathleen Fitzgerald and Henry Walter of the Fifth grade.

Second and Third Grades.
The construction work, paper cutting, etc., in these grades savor of Halloween.
In nature study the pupils of these

grades are studying the migration of birds.
Howard McLaughlin, Leona Hoffman, Maxine Jones, Whitford Hall and Wayne Gosney of the Fourth and Fifth grade classes have handed in good water color studies this week.
Third and Fourth Grades.
Twenty-three pupils in these grades have been neither absent nor tardy this week.
Edith Ayre, Clara Abel and Esther Holm have handed in good drawings this week.
First Grade.
The pupils of the first grade enjoy their sand table and large playground where part of their work is given.
Frederick Dow of the First grade returned this week after a week's absence on account of illness.

CENTRAL SCHOOL.
Ruth Waters of the primary grade has left school to go to North Bend.
Bess Flanagan, Zella Swinford, and Edna Hawkman of the fifth grade have been absent during the week.
Viola Brooks of the third grade left school today. She will go to Kansas with her parents.
The sixth grade has completed the study of astronomical zones, heat belts, winds and rainfall. They will study ocean currents next week.
Vinetta Fox, Clyde McGary, Lizale Erickson, Carl Holdiman and Alice Denning of the Fourth grade have been absent during the week.
The Third grade has completed committing to memory the Children's Hour by Longfellow. They are drawing bats, candles and pumpkins in connection with their language work.

Woner Kronquist, who was not in school Monday morning, is the only one of the Sixth grade who has been absent this week.
Those of the Sixth grade who have handed in good water color paintings are: Woner Kronquist, Lloyd Lemieux, Elzie Lingo, Walter Rehfeld, Geo Englund, Cecelia Post, Marguerite Wiseman, Henry Cristensen, Katherine Horton, Claude Post, Harold Wairath, Geo Hongell, Geo Horsfall, Helen Rees, Wilfred McLain, Gilbert Johnson, Hattie Rehfeld, Wayne Painter and Ellis Grant.
The pupils of the Seventh grade have not been absent or tardy this week.

NEWS OF GARDINER.
GARDINER, Ore., Oct. 27.—The new creamery at Reedsport is now running and receiving cream. It is more centrally located than the one that was recently burned, and more up-to-date in every respect, and its operators expect to do a larger volume of business and give more satisfaction to its patrons than ever before.
The new mess house of the Gardiner Mill company has opened under the management of Mrs. Coldwell. It is a fine and commodious building and will be quite a boon to the company's employes.
The old building which was occupied as a barber shop has been moved across the street next to the post-office and is used as the central office of the telephone company.
Fred Assenheimer has temporarily deserted the confectionery, donned a pair of overalls, removed his white shirt, hung up his stiff hat and installed himself chief engineer in the ice plant at the new cannery.

The Southern Pacific right-of-way man, C. H. Marsh, is in Gardiner this week buying a right-of-way through the Gardiner Mill company's properties. He informs us that he is having little trouble in securing this from the property holders, as most every one is anxious for a railroad.

W. F. Jewett is erecting a two-story building in the site of the old postoffice. The first floor will be used for a barber shop and offices, the upper floor will be made into living rooms. The building will add considerable to the appearance of this part of town.

There is a great run of silver-sides in the river, and large catches are being made by the fishermen, as high as sixteen thousand being caught in one night. Both canneries are running at full capacity. The canneries pay twenty cents each for silver-sides, thus putting considerable money in circulation during the fishing season.

Deputy Game Warden Angus Gor, of Astoria, was here this week looking after fish licenses. As no arrests were made we presume he found matters O. K. We are informed that several of the young ladies were very much relieved when they found out that they were not required to have a license to troll for fish, but were disappointed on being told that they would have to take the fish off the hook, that it was unlawful for them to allow any gentleman friend to do this, but that the gentleman could put his arms around her and steady the boat while she disengaged the fish. In consequence several good "catches" are reported.

DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Haik's Catarrh Cure. Send for circulars, free.
E. J. CHENEY & CO., Toledo, O.
Sold by Druggists. Take Hall's Family Pills for constipation.
