

FOR GYMNASIUM IN NORTH BEND

Business Men There Organize to Convert Old Tabernacle Into Recreation Room.

At a meeting of North Bend business men at the North Bend Commercial club last evening, plans were completed for converting the North Bend tabernacle building into a gymnasium and place of recreation for the young folks of North Bend. Supt. Raab, J. W. Grout and F. W. Wood, the committee in charge of raising funds for the purpose, reported that over \$400 of the \$500 needed for the purpose had been subscribed and that they thought the balance would be easily secured.

It is planned to convert the building into a public reading room and gymnasium. It is planned to install bowling alleys, equipment for athletics and in fact arrange for all the simpler forms of recreation for young folks. Later, this may be utilized as the foundation for a Y. M. C. A.

TO TRY LAND GRANT CASES

Evidence to Be Taken Soon in Government Case to Re- cover Tracts in Oregon

PORTLAND, Ore., Nov. 17.—Testimony in the Southern Pacific land grant suit will probably be taken in Portland beginning next month, and be completed before May 1. W. D. Fenton, one of the attorneys for the railroad in the big suit, filed notice in the United States circuit court that he would ask to have a date set for taking testimony and together with the notice submitted a proposed schedule for the presentation of evidence that will get the final reply in by April 27, 1912.

Owing to the hearing of the merger suit before the United States supreme court in January, at which P. F. Dunne of San Francisco, chief counsel for the Southern Pacific, will have to be present, the railroad objects to presenting its evidence prior to February 5, 1912. An affidavit prepared by Mr. Dunne recites that he is in full and complete charge of the defense of the railroad company.

The tentative schedule submitted by Mr. Fenton gives the time for the complainant to present its testimony between the present and January 4, 1912, for the defendant to submit its between February 5 and March 30, and for the complainant's reply evidence between March 30 and April 27.

B. D. Townsend, special assistant to the attorney general, who is in charge of the land fraud cases for the government, is still in the east, but United States Attorney McCourt will either approve or object to the schedule for him.

SHIPPERS TO GET GOOD CARS

Interstate Commerce Commis- sion Makes Ruling on Poor Equipment Complaint.

(By Associated Press to Coos Bay Times.)

WASHINGTON, D. C., Nov. 15.—"Shippers should refuse to accept cars that are in such a state of disrepair as to render them unfit for use." This ruling was made by the Interstate Commerce Commission today in the case against the Oregon & Washington Railroad and Navigation company. The complainants demanded that the carriers be required to reimburse shippers for repairs made on the cars to fit them to hold freight in bulk. The commission held that such arrangements would be susceptible of use as a subterfuge for granting rebates.

LINCOLN CENTER, Kan., Nov. 16.—Pleas of guilty suddenly announced in Circuit Court here today by three of the most prominent men who were accused of connection with the tarring and feathering of Miss Mary Chamberlain, the Shady Bend school teacher, carried the state's attorneys almost off their feet.

Those to announce pleas of guilty were Everett G. Clark, Watson Scranton and Jay Fitzwater. Clark is a miller and Fitzwater and Scranton farmers.

Judge Grover announced he would reserve sentence.
