LOCAL NOTES

THE WEATHER.

(By Associated Press.)
OREGON, Dec. 2.—Fair tonight and Sunday in eastern portion, with rain or snow in the west and easterly winds.

LOCAL TEMPERATURE REPORT.

For twenty-four hours ending at 4:00 p. m., Dec. 1, by Mrs. E. Mingus, special government meteorological observer:
Maximum 56
Minimum 44
At 4:00 p. m. none
Wind, Northwest; clear.

Proves Up On Claim.—Thomas Weir of North Bend appeared before U. S. Land Commissioner Arthur Peck yesterday and made final proof on his homestead.

Pay Day.—Today is the monthly pay day for the Marshfield public school teachers. Whether the teachers will be given another pay day before the Christmas holidays has not been determined.

Is Better.—Mrs. F. M. Marhofer, who recently underwent an operation for appendicitis was able to sit up today. She is getting along fine, much to the gratification of her many friends. She will probably be able to return home by the middle of next week.

Annual Meeting.—The annual congregational meeting of the Christian church will be held at the church on Central avenue on Tuesday evening December 6th at 7:30 o'clock, at which the reports will be made, and the church and Sunday school officers for the coming year will be selected.

Big Candy Shipment.—On the next Breakwater, the Bradley Candy company of Marshfield will receive a shipment of about twenty tons of candy. It is by far the largest single consignment of sweets that has ever been received on the Bay and is said to be one of the largest. It is not the largest, single consignment of candy ever made to one firm from Portland.

Decision Next Week.—The submission of the arguments in the Port of Port Orford injunction case was completed last evening. It is expected that Judge John S. Coke will render his decision next week, determining whether the injunction shall be made permanent. Attorney Meredith is pleased with the prospect of the early decision as he has felt that the big timber interests were merely sparring for delay in the case.

Are Not Socialists.—Sec. A. J. Stephens of the Marshfield Socialists says that the McNamara Brothers who yesterday pleaded guilty to the dynamiting outrages in Los Angeles are not Socialists and that the Socialists should not be blamed for their deeds. He says that all the connect on the Socialists had with the case was that they were trying to see that the McNamaras got a fair trial. The local Socialists met in their hall last night and a big crowd, including many women, is said to have been present to hear Organizer Lewis speak.

Elect Col. Rosa.—The Marshfield Chamber of Commerce yesterday afternoon after discussing the question of sending a special representative to Salem to assist Assessor T. J. Thrift in securing a reduction in the assess-

ed valuation of Coos county farm lands decided to ask Col. R. H. Rosa of Bandon to represent Coos county. Mr. Rosa was here en route to Portland and said he would be glad to assist in anything that would be beneficial to Coos county and will be glad to go to Salem and do what he can to assist Mr. Thrift.

Approve Letter.—The Marshfield Chamber of Commerce has sent a letter to Major Morrow in charge of the U. S. Engineers in this district approving the letter and map recently submitted to the engineers by Capt. Macgenn relative to the restoration and extension of the North Jetty and the construction of a South Jetty. No further information has been obtained from an authoritative source relative to the likelihood of Coos Bay securing an emergency appropriation at the coming session of Congress for the jetty work.

NORTH BEND WINS GAME

Score Sixteen to Thirteen in Basket Ball Contests With Marshfield.

The North Bend basket ball team defeated the Marshfield boys in a game played Friday night at North Bend. The score was 16 to 13. The game was hotly contested throughout and was probably the cleanest game ever played between the two teams.

The Marshfield boys seemed hampered by the small size of the North Bend gymnasium. They had been practicing on a regulation size floor and have been using a free and open style of play and in this game felt the lack of room.

However, toward the last of the game the Marshfield boys became accustomed to the conditions and put North Bend on the defensive during a large part of the last half.

In the first half, the two teams were about evenly matched. North Bend made the first score, Dewey getting a field basket during the first half minute of play. Marshfield came right back, Pitman getting three fouls out of the first four trial. Neither side seemed able to gain an advantage and the first half ended with the score 6 to 6.

In the second half, North Bend took a fresh start and made three goals in rapid succession. Marshfield threw three field goals and one foul and three fouls were thrown by North Bend.

The lineup was as follows:
Marshfield North Bend.
S Clarke c Hodson
C Clarke r g Dewey
Stutsman, Carlson and
Byerly l g Davis
Isaacson r f Hanson
Pitman l f Van Zile

Field goals—Marshfield, Pitman, 1; Larson, 1; Isaacson, 2. North Bend—Van Zile, 2; Hanson, 1; Dewey, 2; Hodson, 1.

Goals from fouls—Marshfield, Pitman, 5; North Bend, Hodson, 3; Hanson, 1.

Referee—Barker.
Umpire—Gray.

Pitman and C. Clarke played the best game for Marshfield. Pitman making six of Marshfield's thirteen points. For North Bend, Dewey and Hodson were easily the stars.

A preliminary which offered a great deal of amusement for the spectators was played by the "Gold bugs" and the "Brownies," two teams made up of girls from the North Bend High school. The game resulted in a score of one to one, neither side being able to throw a field basket during the thirty minutes of play.
