**The Rayo Lamp**  
It Never Flickers  
The long winter evenings give a woman a splendid chance for sewing or embroidery; but her eyes suffer from the strain unless she has a good light.  
The Rayo is the best lamp made.  
It gives a strong, diffused light that is remarkably easy to the eyes. There is no glare to it; no flicker. It lights up a whole room.  
The Rayo is an economical lamp, too.  
You get the most possible light-value for the oil burned; and the Rayo itself is a low-priced lamp. Yet it is a handsome lamp—an ornament to any room in the house.  
The Rayo Lamp is easily lighted without removing shade or chimney; easy to clean and rewick. Made of solid brass, nickel-plated; also in numerous other styles and finishes.  
Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the
