A WORD TO THE WISE.

The following estimates in round is not a "Hide-bound republican and numbers are not far wrong: Indebtedness of the banks to the would join any party that could do depositors \$20,000,000,000, of soclety to the moneyed class, \$20,000,-000,000; the whole amount of our circulating medium, \$2,000,000,000.

On occasion of money panics there can be no possibility that the depositors will receive back from the banks their money with less than \$2,000,000,000 in sight.

The proposed remedy: A central cooperative concern for the benefit of the banks, as depository for the \$20,000,000,000 interest evidences of the indebtedness of the people to the moneyed guild, these "securities" (so-called) to be coined into legal tender money as now into quasi legal tender are the govern-ment bonds coined, that have been placed by the national banks on deposit in the national treasury.

The government thus becomes authe United States consulate were cut rety for the \$20,000,000,000 bank deposits of the people's money and facto redeems them, the banks; in no way reimbursing the govern-

> Let us brush aside the fallacy of bank scrip being "notes." It is a money gratuity to the national banks. And so, too, is the contemplated \$20,000,000,000 (if demanded) gratnity to the national banks. The interest-bearing debt of the American people sucking the life blood of the nation, is secured to the moueyed class, as are the bonds of the government coined into bank scripinterest paid quarterly or annually on the "securities" of all kinds.

The cost of the Panama canal is a drop in the bucket compared to what the government by this plan" would bestow upon would bestow upon the banking class. Leslie M. Shaw, ex-secretary of the United States treasury has informed us that "the Aldrich plan would be so profitable to a few men who would galdly run it that they could well afford to pay the entire national debt for a perpetual charter." Does it require argument to show that the procedure will place the money kings in position to overthrow our free government, dethroning the many and placing them under the heels of an oligarchy? A.
